

Santa Clarita Public Service Broadcasters Corporation

Santa Clarita Public Service Broadcasters Corporation was incorporated on July 5, 2013 as a non-profit entity in the City of Santa Clarita California. SCPSBC was established to provide residents living in the Santa Clarita Valley with information that can be used to enrich their daily lives. To educate and connect residents with the City of Santa Clarita, Community Groups, Churches, and local artists.

The stations programming will be a mixture of music, news, educational programs, talk shows, and religious programming from our local Churches. The primary thrust will be to expose the community to the music of local artists, which is not broadcast by other media outlets available in our area. Also to provide a media outlet that will allow Community Groups and Churches to reach out to local residents. The station will also reach out to the City of Santa Clarita to educate local residents about the rich history and cultural diversity of the Santa Clarita Valley.

A breakdown of programming types are as follows:

Syndicated Programming: 5% (News)

Local Community Programming: 40%

Local Religious Programming: 30%

Music: 25%

SCPBSC pledges to run the LPFM Station 24 hours a day, utilizing a minimum of 8 hours a day for local programming.
