

State of Massachusetts  
County of Norfolk

Grady Moates, being first duly sworn upon his oath deposes and states that:

He is operator of LOUD & Clean Broadcast Science Consultants and is an engineer for Radio Station WBPR, Worcester, MA, as well as many other stations throughout the United States;

His qualifications include:

- Full-time employment in broadcast engineering positions for more than thirty years,
- Senior Broadcast Engineer Certification, July 1, 1979, from the Society of Broadcast Engineers,
- Supervision of more than a dozen FM antenna installations, including WPXC Hyannis MA, WUMB-FM Boston MA, WFPB-FM Falmouth MA, WZYQ Frederick MD, WXXM Georgetown SC and WWKX Woonsocket RI;

He was present in a supervisory capacity during the assembly and installation of the WBPR directional antenna on Thursday, September 17<sup>th</sup>, 2009;

The WBPR antenna was installed in the manner prescribed by the manufacturer;

And that all statements and representations of fact contained in this statement are true and correct of his own knowledge and belief.
