Atlanta, GA 30305

Re: WHNN (FM), Bay City, MI
Radio License Holding CBC, Inc.
Facility Identification Number: 37458
Special Temporary Authority
BSTA-20161007ABF

Dear Licensee:

This is in reference to the request filed on October 7, 2016, on behalf of Radio License Holding CBC, Inc. ("RLH-CBC"). RLH-CBC explains that WHNN is operating at approximately 85% of licensed power due to transmitter problems. RLH-CBC requests Special Temporary Authority (STA) for continued reduced power operation until repairs can be implemented.

Section 73.1560(d), which governs reduced power operation, states:

In the event it becomes technically impossible to operate at authorized power, a broadcast station may operate at reduced power for a period of not more than 30 days without specific authority from the FCC. If operation at reduced power will exceed 10 consecutive days, notification must be made to the FCC in Washington, DC, Attention: Audio Division (radio) or Video Division (television), Media Bureau, not later than the 10th day of the lower power operation. In the event that normal power is restored within the 30 day period, the licensee must notify the FCC of the date that normal operation was restored. If causes beyond the control of the licensee prevent restoration of the authorized power within 30 days, a request for Special Temporary Authority (see Section 73.1635) must be made to the FCC in Washington, DC for additional time as may be necessary.

Our review indicates that the request complies with Section 73.1560(d).

Accordingly, the request for STA extension IS HEREBY GRANTED. Station WHNN may continue to operate at reduced power, as needed. RLH-CBC must notify the Commission when licensed operation is restored. RLH-CBC must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on April 15, 2017.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dale Bickel". The signature is fluid and cursive, with the first name "Dale" and last name "Bickel" clearly distinguishable.

Dale Bickel
Senior Engineer
Audio Division
Media Bureau
