Above records with a status of PLN are original DTV allotments

WBUW-DT DTV Channel 32 Janesville, WI

This station is being constructed on a new tower that will be shared with NTSC stations WBUW channel 57 Janesville, WI (paired NTSC allotment of the proposed facility), WMTV channel 15 Madison, WI and DTV station WMTV channel 19 Madison, WI. The design of this new facility is being coordinated with the other stations that will occupy the tower and therefore no undesired effects are expected either to or from the other stations.
