

## **Exhibit 10**

### **Changes in Interests**

The licensee of KWPK(FM), Thunderegg Wireless, LLC (“Thunderegg”), is 100% owned by Bedrock & Associates, LLC (“Bedrock”). The members (owners) of Bedrock are Lance Anderson (35% interest), George Kriste (35%), Earnest Hopseker (15%) and Robert Case (15%). The agreements contained in Exhibit 4 of the instant application provide that at closing, Mr. Hopseker and Mr. Case will assign their interests to Bedrock. Accordingly, upon consummation of the proposed transfer, neither Mr. Hopseker nor Mr. Case will have any interest in Bedrock; the members of Bedrock will be Messrs. Anderson and Kriste, each with a 50% interest.

The following table shows pre-and post-transfer interests in Bedrock:

<u>Name</u>	<u>Pre-Transfer</u>	<u>Post-Transfer</u>
Lance Anderson	35%	50%
George Kriste	35%	50%
Earnest Hopseker	15%	-0-
Robert Case	15%	-0-

The qualifications of Mr. Anderson and Mr. Kriste were approved by the Commission in the “long-form” (FCC Form 314) application by which Thunderegg acquired KWPK (then known as KPXA). See BAPH-19981009GE, granted Jan. 14, 1999.
