Re: Request For Extension of Time to Submit Amendment
Station KJDX(FM)

Facility ID #60300

Dear Mr. Bonacci:

On behalf of CC Licenses, LLC ("CC"), this letter requests an extension of time to submit an amendment in response to the Audio Division's letter of September 29, 2008, concerning the above-referenced application. The letter offers the alternative of constructing the facilities authorized in BPH-20070226ABI and filing a license application to cover that construction. CC intends to construct the facilities authorized in that permit by the end of November and file a license application shortly thereafter. CC will then submit an amendment to the above-referenced application reporting the filing of Form 302-FM.

Accordingly, CC Licenses LLC respectfully requests an extension of time until November 30, 2008 to submit the amendment to the above-referenced application.

Sincerely,

Mark Lipp
