Subject: Radio Programming

The purpose of our proposed community educational radio station is to provide the Pine Hills Community of Orlando, Florida a voice. We will also use the airwaves to achieve our mission of providing education on parenting, domestic violence, anger management, family counseling, mentoring and to give hope and direction to an impoverished community. Our Target demographic is the African American & other Ethnic groups of the Pine Hills Community.

Our station will operate 24 hours a day, 7 days a week. Using local air personalities and dignitaries.
