In re: Low Power Television Application of:
Island Broadcasting Company
Channel 32, New York, NY
File number BPDTL-20090911AAV
Facility Id No.:29231

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. W32DF, Hempstead, NY. – BLTTL-20090522AEX

We are not accepting or using the Full Service Mask in our interference analysis until it becomes part of our technical rules.

You are hereby given the opportunity to file a minor amendment to resolve the specified interference problem within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
Associate Chief
