Salem Communications Corporation proposes common ownership of four Tampa market radio stations: WGUL 860 AM, Dunedin, WTBN 570 AM, Pinellas Park, WTWD 910 AM, Plant City, and WLCC 760 AM, Brandon.

This multiple ownership study is to ensure compliance with the Code of Federal Regulations Chapter 47, Part 73.3555 that outlines the conditions under which one licensee may own multiple radio stations in a common market.

Home Metro for WLCC

Tampa-St. Petersburg-Clearwater is the home market for WLCC 760 AM, Brandon, FL. Exhibit 1 is the FCC Geographical Market Definition printout from BIA's Media Access Pro™. This exhibit shows that there are 50 stations attributed to the Tampa-ST. Petersburg-Clearwater market.

47 CFR 73.3555 (a)(1)(i) says "In a radio market with 45 or more full-power, commercial and noncommercial radio stations, not more than 8 commercial radio stations in total and not more than 5 commercial stations in the same service (AM or FM)" may be owned by the same entity.

Upon completion of the proposed acquisition of WLCC 760 AM, Salem Communications Corporation and its subsidiaries will own four radio stations in the Tampa-St. Petersburg-Clearwater market. Therefore ownership and operation of WGUL 860 AM, Dunedin, WTBN 570 AM, Pinellas Park, WTWD 910 AM, Plant City, and WLCC 760 AM, Brandon, is in accordance with the Commission's multiple ownership rules. There are no parties to the proposed change application that have any interest in any radio stations other than those listed above, in the Tampa-St. Petersburg-Clearwater market.

Under penalty of perjury I declare the foregoing is correct.
