Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Lipp:

This letter concerns the request you filed on September 24, 2019, on behalf of Multicultural Radio Broadcasting Licensee, LLC (MRBL), for extension of Special Temporary Authority (STA) to permit AM Radio Station WJDM to remain silent.

Commission records reflect that MRBL stated that Station WJDM(AM) went silent on January 30, 2019, because it lost its programming source. The previous STA was granted on March 29, 2019, and expired on September 25, 2019. MRBL requests extension of its STA while it continues searching for a new programming source. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

MRBL's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WJDM(AM) to remain silent until January 30, 2020. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WJDM(AM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., January 31, 2020.¹**

MRBL is required to notify the Commission when broadcast operations resume. If MRBL does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
Attorney, Audio Division
