**EXHIBIT 1**

WSKG PUBLIC TELECOMMUNICATIONS COUNCIL has a pending application for a covering License for WSKA-DT, Corning, NY along with a pending application for modification of CP (BMPEDT-20061102ABR) to correct the as built antenna system.

The instant minor engineering amendment to the BMPEDT-20061102ABR application is to correct a typo in Tech Box Paragraph 10e to show that the tabulated pattern is rotated clockwise by 140 degrees. All other portions of the pending application are correct.
