**THE UNIVERSITY OF NORTH CAROLINA
REASEARCH TRIANGLE PARK, NC
APPLICATION FOR A DIGITAL FLASH CUT FOR
W46AX
(MINOR CHANGE)**

EXHIBIT 10 – FAA

FAA STATEMENT

This W46AX digital flash cut application does not propose any change in the supporting structure overall height, therefore the FAA has not been notified of the changes to this already licensed site. The antenna structure is below 115 ft A.G. and the particulars pass FCC TOWAIR.
