Re: KJKL(FM), Jamestown, North Dakota (FIN: 94213)
Notification of Change in Main Studio Waiver

Dear Ms. Dortch:

Educational Media Foundation ("EMF"), licensee of FM radio station KJKL(FM), Jamestown, North Dakota, hereby notifies the Commission of a change in KJKL's main studio. KJKL(FM) is currently authorized to utilize EMF's co-owned station KLVR(FM), Middletown, California as its main studio, however, EMF is changing that location to the main studio of another EMF co-owned station, KYRA(NCE-FM), Thousand Oaks, California. The proposed studio location is approximately 922.5 kilometers (573.2 miles) outside of the 3.16 mV/m contour of KJKL(FM).

EMF will operate KJKL(FM) as a "satellite" station of KYRA. KJKL(FM) will be part of a network of radio broadcast stations operated by EMF known as the "Air-1 Radio Network." EMF is a non-profit corporation and each network station operates non-commercially and broadcasts the non-commercial educational programming carried on the Air-1 Radio Network. EMF also requests that the FCC re-issue the license for KJKL(FM) to reflect the new main studio.

Should there be any questions regarding this matter, please contact the undersigned.

Sincerely,

Mary O'Connor
