West Frankfort, Illinois 62896
August 6, 2009

In evaluating the proposed conversion to digital for W38BQ, FID 67020, it was found that channel 5 would cause unacceptable interference to WCQT-LP's DTV construction permit. After thorough searching, channel 17(T) was found to cause no lethal levels of interference to other stations. Thus, Three Angels Broadcasting Network respectfully requests that the Commission look favorably on this application.
