Re: FM Antenna Orientation near Santa Barbara

Affidavit

I, Michael R. McGee, CA PLS3945 state that the direction of the FM antenna installed on a 15' wood pole located off Gibraltar Road north of Santa Barbara, CA (approximate Lat. 34-27-57, Long. -119-40-38) is orientated at a True Azimuth of 280 degrees.

Executed on June 11, 2003 in Santa Barbara, California.

Michael R. McGee, PLS3945
