

**TECHNICAL STATEMENT**  
**RADIO MULTIPLE OWNERSHIP ANALYSIS**

This statement was prepared on behalf of a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). We propose to correct the antenna location of KHKZ (FM) San Benito, Texas. A multiple ownership analysis was prepared considering radio stations under present or proposed common ownership, time brokerage or joint sales.<sup>i</sup>

**Arbitron Market Study**

In this application, CTLP is proposing to change the antenna location of Station KHKZ (FM) San Benito, Texas. The community of license, San Benito, Texas, is in Cameron County, which is part of the McAllen-Brownsville-Harlingen, TX Arbitron Metro and thus KHKZ (FM) is geographically located in this Arbitron Metro. KHKZ (FM) is designated "home" to the McAllen-Brownsville-Harlingen, TX Arbitron Metro; the number of stations owned by CCC in the McAllen-Brownsville-Harlingen, TX Arbitron Metro is not changing by this application.

According to the FCC's local ownership "tiers," in a Metro reported by BIA as having 30 or more, and 44 and fewer commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 7 commercial full-power radio stations, not more than 4 of which are in the same service(AM or FM)<sup>ii</sup>. This application complies with the multiple ownership rules because only 5 of 30 full-power radio stations (4 FM and 1 AM) will be attributable to CCC.

**Interim Contour-Overlap Analysis**

Because the principal community of KHKZ (FM) and the communities of all commonly-owned or attributable stations with overlapping principal contours with KHKZ (FM) are located inside an Arbitron Metro, an interim contour-overlap analysis is not required.

Respectfully Submitted,

Troy G. Langham  
FCC Engineering Supervisor  
October 28, 2011
