

ENGINEERING STATEMENT
OF
JOHN F.X. BROWNE, PE
IN SUPPORT OF
APPLICATION FOR NONCOMMERCIAL EDUCATIONAL
FM BROADCAST STATION LICENSE
WNIN-FM
Evansville, IN

Background

Tri-State Public Teleplex Inc. (Tri-State) is the licensee of WNIN-FM, a Class B FM station operating on 88.3 MHz (Channel 202). Tri-State holds a construction permit (BPED-20011213ABP Facility ID# 590679) specifying a change in location and operating parameters. The authorized construction has been completed and Tri-State is now applying for a modified station license for WNIN-FM pursuant to the Commission's rules. The facility was constructed as specified in the underlying construction permit.

Certification

I hereby certify that the foregoing report or statement was prepared by me but may include work performed by others under my supervision or direction. The statements of fact contained therein are believed to be true and correct based on personal knowledge, information and belief unless otherwise stated; with respect to facts not known of my own personal knowledge, I believe them to be true and correct based on their origin from sources own to me to be generally reliable and accurate. I have prepared this document with due care and in accordance with applicable standards of professional practice.

B

A handwritten signature in black ink, appearing to read "John F.X. Browne". The signature is written in a cursive style with a long, sweeping underline that extends to the left.

John F.X. Browne, P.E.
