Kay,

It is not possible to take the measurements required by the condition below, as station KMYC itself is in need of repairs and is operating pursuant to a Special Temporary Authority, File No. BESTA-20190102AIT granted February 5, 2019, expires July 5, 2019. When the KMYC repairs are complete and the proof performed, the addition of the K245AU antenna will be taken into account.

In view of the foregoing, it is respectfully requested that the Commission grant the covering license application for K245AU.

Thank you.
