

## Statement of Contract Engineer Fritz John Ashauer

The undersigned, Fritz John Ashauer, is a broadcast contract field engineer for his company Ceafa, LLC with an office in Thayne, WY.

He holds the following licenses: Master Electrician, Commercial Electrical Contractor and FCC General Radiotelephone Operator License (lifetime) PG-12-26815.

He has been engaged in building AM and FM broadcast stations since 1960.

He personally installed or supervised the installation of the KHOL(FM) transmission facilities and antenna. All work was done pursuant to the manufacturer's instructions and physical requirements of the transmission site.

Respectfully submitted:

By Fritz John Ashauer
