

STATEMENT OF EDUCATIONAL PURPOSE

Bible Baptist Church of Fairbanks ("Bible Baptist") is a non-stock, non-profit corporation chartered under the laws of the State of Alaska.

Bible Baptist, in conjunction with its religious beliefs, has an educational purpose. The mission and objective of Bible Baptist Church of Fairbanks is to meet the spiritual needs of Fairbanks and its surrounding communities, through various ministries, volunteer and religious education in our rescue mission and shelters. Bible Baptist will use the LPFM to provide a variety of educational instruction on issues such as addiction recovery programs, lifestyle support; educational programs for those in our prison and halfway houses, and child outreach programs. Bible Baptist plans to use the station to broaden outreach with its teachings to people who otherwise may not have heard them and to increase awareness of these programs and Bible Baptist Church's place in the community.
