

NEW CH210A - Hawkeye, IA 1st & 2nd NCE-FM Service Study

Proposed CH210A.P - Hawkeye, IA
Total 60 dBu f(50:50) Population: 7,661

Proposed CH210A.P - Hawkeye, IA
1st NCE-FM Service: none

Proposed CH210A.P - Hawkeye, IA
1st & 2nd Aggregate Service: 5,898
Greater than 2,000 & 762 (10% of 7,661)

Alternate 1st & 2nd Aggregate Showing
1st & 2nd Aggregate Service
Common Overlap Area: 5,647
Greater than 2,000 & 762 (10% of 7,661)

Out of an overabundance of caution and to further demonstrate this CH210A – Hawkeye, IA proposal modification is not improving its technical position with regard to a Sect. 307(b) Fair Distribution Analysis Study, the applicant has shown the sole minimum common area between the original October, 2007 filing window submittal and this amended showing still meets or exceeds the 2,000 person and 10% of 60 dBu service thresholds.
