

2/5/2009

The installation of the directional antenna system for radio station KNHT facility ID:12486 was overseen by our Director of Engineering Darin V. Ransom. The antenna system was installed per the manufacturer's recommended procedures and using best engineering practices. Darin Ransom has been a broadcast Engineer for 17 years and has extensive experience installing FM antenna systems.

I affirm that this statement is true and correct.

Darin V. Ransom  
Director of Engineering
