Re: **Notification of Reduced Power Operation**
Radio License Holding CBC, LLC
Station WPRO-FM, Providence, Rhode Island
Facility Identifier Number 64841

Dear Ms. Dortch:

This letter, filed in triplicate on behalf of Radio License Holding CBC, LLC ("RLH-CBC"), the licensee of Station WPRO-FM, notifies the Federal Communications Commission that the Station is currently operating at approximately thirty percent (30%) of its licensed power. Storm damage to the WPRO-FM main antenna is the reason for this power reduction. RLH-CBC plans to repair the antenna in short order, however, if it cannot be repaired within thirty (30) days, it will submit a request for Special Temporary Authority.

If there are any questions about this Notification, kindly contact undersigned counsel for Radio License Holding CBC, LLC.

Sincerely,

Mark Lipp
