Dear Permittee,

On September 17, 2007, the licensee as addressed above was sent a letter concerning the required tower registration as outlined below:

This application requires tower registration. If the tower is not registered with the Federal Aviation Agency (FAA) and an electronic amendment filed within thirty (30) days from the date of this letter, the above-referenced application will be dismissed.

Our records show that no amendment has been filed to resolve the tower registration issue; therefore, the above referenced application IS HEREBY DISMISSED.

Sincerely,
