Re: WFID (FM) FCC File No: BPH-20110818AAT

Dear Anthony T. Lepore:

Thank you very much for the notification on minor equipment changes of your FCC application sent to us in accordance with the Puerto Rico Coordination zone agreements. We have considered the technical aspects of your application and find that your installation is unlikely to cause harmful interference to the passive use of the Radio Astronomy bands at the Observatory. We therefore have no objection to your proposed installation.

Sincerely yours,

Angel M. Vázquez  
Spectrum Manager
