Gentlemen:

This refers to your attorney's letter dated July 08, 2014 requesting special temporary authority to remain silent. You indicate that due to equipment failure, the station was forced to suspend operations. You request authority to remain silent while the licensee is waiting for the receipt and installation of new equipment.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until January 11, 2015 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, stylized "K" and "H".
