Seller has not performed an environmental assessment of the site, but is not aware of any environmental problems.

(b) To the best of Seller's knowledge, after due investigation, Seller has no liability and neither Seller, nor to Seller's knowledge any predecessor owner or occupant, has handled or disposed of any substance, arranged for the disposal of any substance, or owned or operated or leased any property or facility in any manner that could form the basis for any present or future charge, complaint, action, suit, proceeding, hearing, investigation, claim or demand (under the common law or pursuant to any statute) against Seller giving rise to any liability for damage to any site, location, or body of water (surface or subsurface) or for illness or personal injury.

6.9.5. **Information Held in Confidence.** From the date hereof until the Closing Date, Seller and other representatives of Seller if any, will hold in strict confidence, and will not disclose to any third party, any data and information obtained in connection with this transaction with respect to the business of Buyer, including any information as to the EBC Stock, except insofar as it is required by a lender to Seller and is any such data and information as may be required by law to be publicly disclosed or submitted to the Commission. If the transactions contemplated by this Agreement are not consummated, Seller will return to Buyer all such data and information, including, but not limited to, all documents, copies of documents and memoranda or other materials prepared by Seller which incorporate data or information obtained from Buyer that is otherwise not publicly available and all other data and information made available to Seller in connection with this transaction which would otherwise not be publicly available, except that which may be required to be submitted to the Commission.

6.9.6 **No Untrue Statements or Omission.** No statement, representation or warranty made by Seller in this Agreement or any Schedule, exhibit, statement, certificate, or other document heretofore or hereafter furnished by Seller, or on its behalf, to Buyer and pursuant to this Agreement or in connection with the transactions contemplated hereby contains or will contain any knowingly untrue statement or knowingly omits to state a material fact necessary to make the statements contained therein not misleading. All representations and warranties of Seller set forth in this Agreement shall be true, complete and accurate in all material respects as of the Closing Date as if made on that date.

SECTION 7

WARRANTIES, REPRESENTATIONS AND COVENANTS OF BUYER

Buyer covenants, represents, and warrants as follows:

7.1 **Organization and Standing.** Buyer is now and on the Closing Date will be a corporation validly existing and in good standing under the laws of the State of Arkansas.

7.2 **Authorization and Binding Obligation.** Buyer has all necessary power and authority to enter into this Agreement and to execute all of Buyer's Closing Documents that require Buyer's signature. Appropriate resolutions to that effect shall be provided at closing. The execution, delivery and performance of this Agreement (as of the date of execution of this Agreement and on the Closing Date) and the Buyer's Closing Documents (on the Closing Date) are or will be authorized by all necessary action of Buyer. This Agreement constitutes a valid and binding obligation of Buyer enforceable against Buyer in accordance with the terms of this Agreement. Upon execution, the Buyer's closing documents will constitute valid and binding obligations of Buyer enforceable against Buyer in accordance with their terms.

7.3 **No Contravention.** The execution, delivery and performance of this Agreement or any of Buyer's Closing Documents do not violate any provision of the Articles of Incorporation or By-laws of Buyer, or any contract provision or other commitment to which Buyer or any of its officers or directors or its parent entities are bound, or any judgment or order.

7.4 **Litigation.** Except for administrative rule making or other proceedings of general applicability to the broadcast industry, there is no litigation, proceeding, judgment, claim, action, investigation or complaint, before the Commission, other governmental body, or court, of any nature pending or, to the best of Buyer's knowledge, threatened against or affecting it which would affect Buyer's authority or ability to carry out its obligations under this Agreement.

7.5 **Information Held in Confidence.** From the date hereof until the Closing Date, Buyer and other representatives of Buyer, including Buyer's lenders, if any, will hold in strict confidence, and will not disclose to any third party, any data and information obtained in connection with this transaction with respect to the business of Seller, except insofar as it is required by a lender to Buyer and is any such data and information as may be required by law to be publicly disclosed or submitted to the Commission. If the transactions contemplated by this Agreement are not consummated, Buyer will return to Seller all such data and information, including, but not limited to, all documents, copies of documents and memoranda or other materials prepared by Buyer which incorporate data or information obtained from Seller that is otherwise not publicly available and all other data and information made available to Buyer in connection with this transaction which would otherwise not be publicly available, except that which may be required to be submitted to the Commission.

7.6 **Access.** Seller and its authorized representatives shall have, after the Closing Date, the right to obtain within twenty-four (24) hours of making a request, reasonable access to originals or copies of all logs, books, relevant records, contracts and documents necessary and solely for the preparation of Seller's tax returns and other required governmental filings.

7.7 **Buyer's Qualifications.** Other than as set forth in Schedule 7.7, there is no fact that would, under present law (including the Communications Act of 1934, as amended) and the present rules and regulations of the Commission, disqualify Buyer from being the assignee of the Station or that would delay Commission approval of the Assignment Application. Should Buyer become aware of any such fact, it will so inform Seller and will use its best efforts to remove any such disqualification.

7.8 **Insolvency Proceedings.** No insolvency proceedings of any kind, including without limitation bankruptcy, receivership, reorganization, composition, or arrangement with creditors, voluntary or involuntary, affecting Buyer are pending or threatened.

7.9 **Restrictions on Seller.** Nothing contained in this Agreement shall give Seller any right to control the programming or operations of the Station after the Closing Date, as Buyer shall have complete control of the programming and operation of the Station as of the Closing Date. Pursuant to Section 73.1150 of the Commission Rules, Seller shall have no reversionary interest in the Station or any other interest relating to ownership after the Closing Date.

7.10 **No Untrue Statements or Omission.** No statement, representation or warranty made by Buyer in this Agreement or any Schedule, exhibit, statement, certificate, or other document heretofore or hereafter furnished to Seller and pursuant to this Agreement or in connection with the transactions contemplated hereby contains or will contain any knowingly untrue statement or knowingly omits to state a material fact necessary to make the statement contained therein not misleading.

SECTION 8

SELLER'S CONDUCT OF BUSINESS PRIOR TO CLOSING AND BUYER'S ACCESS TO INFORMATION

8.1 **Affirmative Covenants of Seller.** From the date of this Agreement until the Closing Date, Seller shall have complete control and supervision of and sole responsibility for the Station and their operation, and during such period, Seller shall:

8.1.1 Operate the Station in good faith and, in a manner consistent with the normal and prudent operation of commercial broadcast Station and in accordance with the rules and regulations of the Commission, and the Commission Authorizations.

8.1.2 Maintain all of the Authorizations and applications listed or referred to in this Agreement.

8.1.3 Make reasonable efforts to endeavor to protect the primary service area of the Station from interference from other stations, as interference is defined under the Commission's Rules in relation to the protection afforded to analog and digital commercial television broadcast stations, existing or proposed, of which Seller has actual knowledge, and promptly shall give Buyer notice of any such proposed or actual interference.

8.1.4 Maintain all of the Real Property and the Tangible Personal Property, as specified in Schedules 1.1.2 and 1.1.3, so, that when the same are delivered to Buyer, they shall satisfy all the warranties in all material respects on the part of Seller set forth herein, subject to reasonable wear and tear.

8.1.5 Maintain the existing inventory levels of the Station (including office supplies, spare parts, tubes, equipment and the like) and replace inventory items expended, depleted or worn out.

8.1.6 Deliver to Buyer, within five (5) business days after filing thereof with the Commission, copies of any and all reports, applications, and/or responses relating to the Station which are filed with the Commission on or prior to the Closing Date, including a copy of any Commission inquiries to which the filing is responsive (in the event of an oral Commission inquiry, Seller will furnish a written summary thereof).

8.1.7 Give prompt notice to Buyer of any occurrence that comes to Seller's attention that may constitute a misrepresentation, breach of warranty, or nonfulfillment of any covenant or condition on the part of the Seller or Buyer contained in this Agreement.

8.1.8 Keep and preserve the Business Records in accordance with good business practice.

8.2 **Negative Covenants of Seller.** Between the date hereof and the Closing Date, Seller shall not, with respect to the Assets, the Station, or the operation thereof, without the consent of Buyer, which consent shall not be unreasonably withheld:

8.2.1 Cancel, modify, alter, amend, encumber, or any way discharge, terminate, or impair any material Agreements or leases pertaining to the Station, except for those contracts and agreements not being assumed by Buyer.

8.2.2 By any act or omission surrender, modify adversely, forfeit, or fail to renew under regular terms the Commission Authorizations with respect to the Station or give the Commission grounds to institute any proceeding for the revocation, suspension or modification of any such Commission Authorization, or fail to prosecute with due diligence any pending applications with respect to such Commission Authorizations.

8.2.3 Other than in the usual and ordinary course of business, sell or dispose of any of the Assets. Seller shall replace all Assets thus disposed of in the usual and ordinary course of business with assets having an aggregate value at least equal to the aggregate value of the Assets sold or otherwise disposed of.

8.2.4 Create or suffer or permit the creation of any mortgage, conditional sales agreement, security interest, lien, hypothecation, pledge, encumbrance, restriction, liability, charge, claim or imperfection of title on any of the Assets or with respect thereto.

8.2.5 Take any action that would prevent Seller from consummating the transactions contemplated in this Agreement.

8.3 Access to Information.

8.3.1 Access to the Assets. Between the date hereof and the Closing Date, upon reasonable notice Seller will give to Buyer and its authorized representatives and agents, including engineers, accountants, lawyers, and other representatives, reasonable access during reasonable business hours to the Assets. Such access shall remain subject to the reasonable availability of representatives of Seller to accompany Buyer's representatives. Seller shall furnish to Buyer such information and materials concerning the Station's affairs as Buyer may reasonably request, so far as such access, information and materials pertain to the operation of the Station.

8.4 Restrictions on Buyer. Nothing contained in this Agreement shall give Buyer any right to control the programming or operations of the Station prior to the Closing Date and Seller shall have complete control of the programming and operation of the Station between the date hereof and the Closing Date and shall operate the Station in conformity with the public interest, convenience and necessity and with all other requirements of law and this Agreement.

8.5 Buyer's Covenants. From the date of this Agreement until the Closing Date, and other than the actions being taken and subject to the terms and conditions set forth under Schedule 7.7 herein, Buyer covenants that it will take no action, or fail to take any action, that would disqualify it from becoming the licensee of the Station or delay the grant of the Assignment Application by the Commission. Furthermore, Buyer shall give prompt notice to Seller of any occurrence that comes to Buyer's attention that may constitute a misrepresentation, breach of warranty or nonfulfillment of any covenant or condition on the part of Buyer or Seller contained in this Agreement.

SECTION 9

For a period of one hundred twenty (120) days from Closing, Buyer shall collect such Accounts Receivable on Seller's behalf and will remit receipts to Seller not less than once each month during the 120 day period (the "Collection Period"). So long as the Accounts Receivable are in Buyer's possession, neither Seller nor its agents shall make any solicitation of them for collection purposes nor institute litigation for the collection of any amounts due thereunder. All payments received by Buyer during the Collection Period from any person obligated with respect to any of the Accounts Receivable shall be applied to Seller's account; provided, however, that if during the Collection Period any account debtor contests in writing the validity of its obligation with respect to any Account Receivable, then Buyer may return that Account Receivable to Seller after which Seller shall be solely responsible for the collection thereof. Any of the Accounts Receivable that are not collected during the Collection Period shall be reassigned to Seller after which Buyer shall have no further obligation to Seller with respect to the Accounts Receivable; provided, however, that all funds subsequently received by Buyer (for an additional 90 days) that can be specifically identified, whether by accompanying invoice or otherwise, as a payment on any Account Receivable shall be promptly paid over or forwarded to Seller. Buyer shall not have the right to compromise, settle, or adjust the amounts of any of the Accounts Receivable without Seller's prior written consent, or to withhold any proceeds of the Accounts Receivable or to retain any uncollected Accounts Receivable after the expiration of the Collection Period for any reason whatsoever.

SECTION 12

BROKERAGE

12.1 **Brokerage Fee.** Seller and Buyer each represent and warrant to the other that neither Buyer nor Seller has engaged any broker, finder or agent in connection with the transactions contemplated by this Agreement, ("Broker"). Neither Seller nor Buyer have incurred any unpaid liability or agreed to pay any broker's, finder's or consultant's fee in connection with the transactions contemplated by this Agreement.

SECTION 13

INDEMNIFICATIONS

13.1 **Breach of Seller's Agreements, Representations, and Warranties.** Seller shall reimburse Buyer for, and indemnify and hold harmless Buyer from and against, any loss, damage, liability, obligation, deficiency, claim, suit, cause of action, demand, judgment, or expense (including without limitation, payments, fines, penalties, interest, taxes, assessments, and reasonable attorneys' fees and accounting fees of any kind or nature), contingent or otherwise, whether incurred or asserted prior to or after the Closing Date, arising out of or sustained by Buyer by reason of:

(a) any material breach of any warranty, representation, or agreement of Seller contained under this Agreement or in any certificate or other instrument furnished to Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(b) the operation of the Station or the ownership of the Assets prior to Closing (including, but not limited to, any and all claims, liabilities, and obligations arising or required to be performed prior to the Closing Date under this Agreement, or any other lease, contract, or agreement);

(c) any transaction entered into by Seller or arising in connection with the Station or the operation of the business thereof or any of the Assets prior to the Closing; or

(d) any and all liabilities or obligations of Seller not specifically assumed by Buyer pursuant to this Agreement; or

(e) any and all actions, suits, or proceedings, incident to any of the foregoing.

13.2 Breach of Buyer's Agreements, Representations and Warranties. Buyer shall reimburse Seller for, and indemnify and hold harmless Seller from and against, any loss, damage, liability, obligation, deficiency, claim, suit, cause of action, demand, judgment, or expense (including without being limited to, payments, fines, penalties, interest, taxes, assessments, reasonable attorneys' fees and accounting fees of any kind or nature), contingent or otherwise, whether incurred or asserted prior to or after the Closing Date, arising out of or sustained by Seller by reason of:

(a) any material breach of any warranty, representation, or agreement of Buyer contained under this Agreement or any certificate or other instrument furnished by Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(b) the operation of the Station or the ownership of the Assets subsequent to Closing (including, but not limited to, any and all claims, liabilities and obligations first arising or required to be performed subsequent to the Closing Date under the Agreement);

(c) any transaction entered into by Buyer or first arising in connection with the Station or the operation of the business thereof or any of the Assets subsequent to the Closing;

(d) any and all liabilities or obligations of Seller specifically assumed by Buyer pursuant to this Agreement and that accrue or occur subsequent to the Closing Date under the Agreement; or

(e) any and all actions, suits, or proceedings incident to any of the foregoing.

13.3 **Notice of Claim.** Buyer and Seller agree to give prompt written notice to each other of any claim for indemnification under Sections 13.1 or 13.2 hereof ("Notice of Claim"), which amount is believed to be required to discharge the obligations of the indemnifying party resulting therefrom. Within ten (10) days after having been given the Notice of Claim, the indemnifying party may deliver to the other party (i) a written notice of objection to the payment of such claim ("Notice of Objection"), which Notice of Objection shall set forth the basis for such objection; or (ii) a written notice that the indemnifying party intends to defend against such claim in good faith ("Notice of Intention to Defend"). If such a Notice of Intention to Defend is delivered, the indemnified party shall hold in abeyance its claim for indemnification if and so long as such defense is conducted by the indemnifying party at the latter's expense in a manner effective to protect the indemnified party against such claim. If no Notice of Objection or Notice of Intention to Defend is given within the prescribed ten (10) day period, the indemnifying party shall promptly pay to the indemnified party the amount set forth in the Notice of Claim. If the parties are unable to resolve any Notice of Claim and corresponding Notice of Objection, either party may take whatever action it deems reasonable, including without limitation, the filing of a claim, petition, or other pleading in a court of competent jurisdiction. The indemnifying party shall not compromise or settle any claim without the prior written consent of the other party, which consent shall not be unreasonable withheld or delayed.

SECTION 14

RISK OF LOSS

The risk of any loss or damage to the Assets by fire, theft, breakage, explosion, earthquake, accident, flood, rain, storm, riot, act-of-God, or public enemy, or any other casualty or cause, reasonable wear and tear excepted, prior to the Closing Date, is assumed and shall be borne by the Seller at all times before the Closing Date. If any such loss or damage occurs, Seller shall give prompt written notice of the loss or damage to Buyer and the proceeds of any claim for such loss, payable under any insurance policy with respect thereto, shall promptly be used to rebuild, replace, restore or repair any such damaged property at its own cost and expense. In the event that Seller does not fully replace, repair or restore any such lost or damaged Asset or Assets by the time the Closing otherwise would be held, Buyer may, at its option, upon written notice to Seller, either (i) postpone the Closing until such time as such Assets has been completely repaired, restored or replaced; (ii) elect to close and accept the Assets in its then condition, in which event Seller will deliver all insurance proceeds paid or payable by reason of the loss or damage to Buyer; or (iii) terminate this Agreement. If Buyer terminates this Agreement under this Section, each party shall bear its own expenses. Buyer's option to terminate this Agreement under this Section 14 shall arise only if such damage to the Station is so substantial that it prevents the Station from operating in its normal and customary manner for a period of two (2) consecutive days. Buyer's failure to terminate this Agreement under Section 14 in the event damage to the Station is substantial does not affect its right to other remedies under this Section 14.

SECTION 15

FEES AND EXPENSES

Each party shall pay its own attorneys' fees and expenses which it initiates, creates, or incurs in connection with the negotiation, preparation and execution of this Agreement. Real estate transfer and recording fees assessed or levied in connection with the sale of the Real Property to the Buyer hereunder shall be paid in accordance with the custom prevailing in the state where the property is located, on the Closing Date. All other expenses incurred in connection with this transaction shall be borne by the party incurring same.

SECTION 16

BULK SALES LAW

The parties do not believe that any bulk sales or fraudulent conveyance statute applies to the transactions contemplated by this Agreement. Buyer therefore waives compliance by Seller with the requirements of any such statutes, and Seller agrees to indemnify and hold Buyer harmless against any claim made against Buyer by any creditor of Seller as a result of a failure to comply with any such statute.

SECTION 17

DEFAULT AND TERMINATION

17.1 A party shall "default" under this Agreement if it knowingly makes any material misrepresentation to the other party in connection with this Agreement, or materially breaches or fails to perform any of its representations, warranties, or covenants contained in this Agreement, including the failure of any conditions precedent. Non-material breaches or failures shall not be grounds for declaring a party to be in default, postponing the Closing, or terminating this Agreement.

17.2 If either party believes the other to be in default hereunder, the former party shall provide the other with written notice specifying in reasonable detail the nature of such default. If the default is not curable or has not been cured within ten (10) days after delivery of that notice (or such additional reasonable time as the circumstances may warrant provided the party in default undertakes diligent, good faith efforts to cure the default within such ten (10) day period and continues such efforts thereafter), then the party giving such notice may terminate this Agreement and/or exercise the remedies available to such party pursuant to this Agreement, subject to the right of the other party to contest such action through appropriate proceedings.

17.3 Buyer recognizes that if the transaction contemplated by this Agreement is not consummated as a result of Buyer's default, Seller would be entitled to compensation, the extent of which is extremely difficult and impractical to ascertain. To avoid this problem, the parties agree that if this Agreement is not consummated due to the default of Buyer, Seller shall be entitled to keep as liquidated damages the Earnest Money Deposit, which shall constitute liquidated damages and shall be in lieu of any other remedies to which Seller might otherwise be entitled due to Buyer's wrongful failure to consummate the transaction contemplated by this Agreement. Buyer and Seller each acknowledge and agree that the liquidated damage amount is reasonable in light of the anticipated harm which will be caused by Buyer's breach of this agreement, the difficulty of proof of loss, the inconvenience and non-feasibility of otherwise obtaining an adequate remedy, and the value of the transaction to be consummated hereunder.

17.5 This Agreement may be terminated by either party should the Asset Purchase Agreement by and between EBC Buffalo and Ithaca 52, Inc., which is being executed simultaneously with this Agreement, be terminated for any reason as set forth in that Agreement. Should this Agreement terminate under this subparagraph, Earnest Money Deposit shall be returned to Buyer, unless due to the sole default of Buyer, and each party shall have no further obligation to the other party.

SECTION 20

MISCELLANEOUS

20.1 **Headings.** The headings of the Sections of this Agreement are for convenience of reference only, and do not form a part thereof, and do not in any way modify, interpret or construe the meaning of the sections themselves or the intentions of the parties.

20.2 **Entire Agreement.** This Agreement sets forth the entire agreement of the parties and are intended to supersede all prior negotiations, understandings, and agreements and cannot be altered, amended, changed or modified in any respect or particular unless each such alteration, amendment, change or modification shall have been agreed to by each of the parties hereto and reduced to writing in its entirety and signed and delivered by each party. No provision, condition or covenant of this Agreement shall be waived by either party hereto except by a written instrument delivered to the other party and signed by the party consenting to and to be charged with such waiver.

20.3 **Binding Effect and Assignment.** This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto, and their respective, successors, heirs and assigns. Neither party hereto may assign this Agreement or its rights and obligations hereunder without the written consent of the other; provided, however, Buyer may assign this Agreement without Seller's consent to an entity which is a subsidiary or parent of Buyer or to another legal entity owned by Buyer or its principals, provided Buyer provides written notice to Seller. In the event of such a proposed assignment by Buyer, the provisions of this Agreement shall inure to the benefit of and be binding upon Buyer's assigns. Nothing in this Agreement, express or implied, is intended to or shall confer on any person other than the parties hereto and their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

20.4 Intentionally Omitted.

20.5 **Additional Documents.** The parties hereto agree to execute, acknowledge and deliver, at or after the Closing Date, such other and further instruments and documents as may be reasonably necessary to implement, consummate and effectuate the terms of this Agreement, the effective vesting in Buyer of title to the Assets, and/or the successful processing by the Commission of the application to be filed with it, as provided in Section 4.

20.6 **Counterparts and Facsimile Signatures.** This Agreement may be executed in one or more counterparts, all of which together shall comprise one and the same instrument. Counterpart signatures to this Agreement delivered by facsimile shall be acceptable and binding.

20.7 **Dispute Resolution.** If a dispute arises out of or relates to this Agreement or breach thereof, and the parties are unable to resolve the dispute through negotiation, the parties agree to submit the dispute to a sole independent, disinterested, arbitrator in Washington, D.C. selected by the parties within thirty (30) days after either party delivers in writing to the other party a notice of intent to seek arbitration. The arbitrator need not be a professional arbitrator, and persons such as lawyers shall be acceptable. (In the absence of agreement on such selection, a request shall be submitted to the American Arbitration Association for appointment of an arbitrator.) Before undertaking to resolve a dispute, the arbitrator shall be duly sworn faithfully and fairly to hear and examine the matters in controversy and to make a just award according to the best of his or her understanding. The arbitration hearing shall be conducted in Washington, D.C., in accordance with the commercial arbitration rules of the American Arbitration Association. The written decision of the arbitrator shall be final and binding on the parties to this Agreement. Such decision may be entered as a judgment in any court of competent jurisdiction. Each party will bear its own attorneys' fees associated with the arbitration and will pay all other costs and expenses of the mediation and arbitration as the rules of the AAA provide.

20.8 Governing Law. The parties agree that to the extent not governed by federal law, this Agreement and the transaction herein contemplated shall be interpreted, construed, and enforced under and according to the laws of the State of New York.

20.9 Counsel. Each party has been represented by its own counsel in connection with the negotiation and preparation of this Agreement and, consequently, each party hereby waives the application of any rule of law to the effect that any provision of this Agreement shall be interpreted or construed against the party whose counsel drafted that provision.

20.10 Time is of the Essence. Time shall be of the essence in this Agreement and the performance of each and every provision hereof.

20.11 Severability.
