

Compliance with Local Radio Ownership Rule

In the instant application, Connoisseur Media Acquisitions, LLC (“Connoisseur”), as assignee, proposes to acquire the licenses of the following radio stations:

WPST(FM), Trenton NJ (FIN 25013);
WCHR(AM), Trenton, NJ (FIN 25011);
WNJE(AM), Flemington, NJ (FIN 28130);
WODE-FM, Easton, PA (FIN 8595);
WWYY(FM), Belvidere, NJ (FIN 54689);
WTKZ(AM), Allentown, PA (FIN 27510);
WEEX(AM), Easton, PA (FIN 8596);
WBYN(AM), Lehigh, PA (FIN 69688);
WSBG(FM), Stroudsburg, PA (FIN 47424); and
WVPO(AM) Stroudsburg, PA (FIN 47423).

This exhibit is being submitted to demonstrate that the acquisition proposed in the instant application complies with the FCC’s local radio ownership limits in the Trenton, NJ Arbitron Market, the Trenton, NJ radio market under the interim contour-overlap methodology, the Allentown-Bethlehem, PA Arbitron Market, and the Wilkes Barre-Scranton, PA Arbitron Market.

Radio stations WPST(FM), Trenton NJ (FIN 25013) and WCHR(AM), Trenton, NJ (FIN 25011) are in the Trenton, NJ Arbitron Market. *See* attached BIA report for the Trenton, NJ Arbitron Market. Section 73.3555(a)(1)(iv) of the Commission’s rules provides that in a radio market with 14 or fewer full-power commercial and non-commercial radio stations, a party may hold a cognizable interest in up to five (5) commercial radio stations, no more than three (3) of which are in the same service. There are 12 radio stations in the Trenton, NJ Arbitron Market and Connoisseur will hold the licenses for two (2) commercial radio stations in the Trenton, NJ Arbitron Market after consummation of the proposed transaction. Accordingly, Connoisseur may hold the licenses for WPST(FM) and WCHR(AM) under the Commission’s local radio ownership rule.

Radio station WNJE(AM), Flemington, NJ (FIN 28130) is not in the Trenton, NJ Arbitron market.¹ *See* attached BIA report for the Trenton, NJ Arbitron Market. As the principal community contour of WNJE(AM) and the principal community contours of WPST(FM) and WCHR(AM) overlap, an ownership study was conducted under the FCC’s interim contour-overlap methodology. *See* attached Engineering Statement. Section 73.3555(a)(1)(iv) of the Commission’s rules provides that in a radio market with 14 or fewer full-power commercial and non-commercial radio stations, a party may hold a cognizable interest in up to five (5) commercial radio stations, no more than three (3) of which are in the same service. The Engineering Statement demonstrates that there are at least 15 radio stations in

¹ WNJE(AM) was previously in the Trenton, NJ Arbitron market but was removed on July 27, 2010.

the relevant market and Connoisseur will hold the licenses for three (3) commercial radio stations (two (2) AM stations and one (1) FM station) after consummation of the proposed transaction. Accordingly, Connoisseur may hold the licenses for WNJE(AM), WPST(FM), and WCHR(AM) under the Commission's local radio ownership rule.

Radio stations WODE-FM, Easton, PA (FIN 8595), WWYY(FM), Belvidere, NJ (FIN 54689), WTKZ(AM), Allentown, PA (FIN 27510), WEEX(AM), Easton, PA (FIN 8596), and WBYN(AM), Lehigh, PA (FIN 69688) are in the Allentown-Bethlehem, PA Arbitron Market. *See* attached BIA report for the Allentown-Bethlehem, PA Arbitron Market. Section 73.3555(a)(1)(iii) of the Commission's rules provides that in a radio market with fifteen (15) to twenty-nine (29) commercial and non-commercial radio stations, a party may hold a cognizable interest in up to six (6) commercial radio stations, no more than four (4) of which are in the same service. There are twenty-five (25) radio stations in the Allentown-Bethlehem, PA Arbitron Market and Connoisseur will hold the licenses for five (5) commercial radio stations (three (3) AM stations and two (2) FM stations) in the Allentown-Bethlehem, PA Arbitron Market after consummation of the proposed transaction. Accordingly, Connoisseur may hold the licenses for WODE-FM, WWYY(FM), WTKZ(AM), WEEX(AM), and WBYN(AM) under the Commission's local radio ownership rule.

Radio stations WSBG(FM), Stroudsburg, PA (FIN 47424) and WVPO(AM) Stroudsburg, PA (FIN 47423) are in the Wilkes Barre-Scranton, PA Arbitron Market. *See* attached BIA report for the Wilkes Barre-Scranton, PA Arbitron Market. Section 73.3555(a)(1)(i) of the Commission's rules provides that in a radio market with 45 or more commercial and non-commercial radio stations, a party may hold a cognizable interest in up to eight (8) commercial stations, no more than five (5) of which are in the same service. There are 54 radio stations in the Wilkes Barre-Scranton, PA Arbitron Market and Connoisseur will hold the licenses for two (2) commercial radio stations in the Wilkes Barre-Scranton, PA Arbitron Market after consummation of the proposed transaction. Accordingly, Connoisseur may hold the licenses for WSBG(FM) and WVPO(AM) under the Commission's local radio ownership rule.

ENGINEERING STATEMENT
RADIO MULTIPLE OWNERSHIP ANALYSIS

This radio multiple ownership analysis was prepared on behalf of Connoisseur Media, LLC concerning the ownership of stations in the Trenton, New Jersey market. This analysis was prepared under the FCC “Interim” contour analysis method.¹ The following stations were analyzed:

| Call Sign / Facility ID | Location | Facilities |
|---------------------------------------|----------------|--|
| WPST(FM) / 25013 Licensed Facility | Trenton, NJ | Channel 233B 50 kW (DA) 150 m |
| WCHR(AM) / 25011 Licensed Facility | Trenton, NJ | 920 kHz 1.4 kW-D/1 kW-N DA-2 |
| WNJE(AM) / 28130 Licensed Facility | Flemington, NJ | 1040 kHz 15 kW-D/7.5 kW-CH/1.5 kW-N DA-3 |

The principal community contours of these stations are depicted on a map included herein as Figure 1. Since the principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations) of the stations above are involved in common overlap, an ownership study was prepared in accordance with the Federal Communications Commission multiple ownership rules as outlined in Section 73.3555.

Radio Markets

The “radio market” applicable to common ownership of the subject stations are defined as the area encompassed by the mutually overlapping principal community contours of the stations proposed to be commonly owned. As listed in the Table below, there is one defined “radio market” formed by the subject stations:

| Defined Radio Market | Stations that Define Radio Market | |
|----------------------|-----------------------------------|------------|
| | AM Stations | FM Station |
| Market 1 | WCHR(AM), WNJE(AM) | WPST(FM) |

¹ See Report and Order and Notice of Proposed Rulemaking, MB Docket 02-277, FCC 03-127, Released July 2, 2003.

Count of Stations in Defined Markets

The number of radio stations in a “radio market” is determined by counting the operating stations having principal community contours that overlap or intersect the principal community contours, which define the radio market. Only those stations located within 92 km of the perimeter of the mutual overlap area of the defined market area were employed in the count of stations. The results of the analysis are tabulated below:

| Defined Radio Markets | Total Number of Stations in the Radio Market |
|-----------------------|--|
| Market 1 | 5 AM, 10 FM; 15 Total |

Figure 2 is a tabulation of other stations in the defined markets. Only known licensed, operating stations were employed for the study. It is noted that the tabulation is not a complete list of all of the other stations in the market, but rather enough stations to show compliance with the FCC’s radio multiple ownership rules. Distances to the AM coverage contours were predicted using the antenna patterns as identified in the Commission’s AM database and the appropriate Ground Wave Field Strength versus Distance Graph of 47 CFR 73.184. Ground conductivity data were obtained from FCC Figure M3. Distances to the FM contours were determined based on the method of 47 CFR 73.313. Terrain data was derived from the N.G.D.C. 30 second computer database for each of the FM stations using radials evenly-spaced every 10 degrees of azimuth.

Based on the above, the proposed acquisition complies with Section 73.3555(a) of the FCC Rules.
