

### **307(b) EXHIBIT**

Cumulus Licensing, LLC, (“Cumulus”), licensee of Station WWIZ(FM), Mercer, Pennsylvania, hereby submits this Application which proposes to delete Channel 280A at Mercer, Pennsylvania and allot Channel 280A to West Middlesex, Pennsylvania as that community’s first local service.

As demonstrated in the Technical Exhibit, Channel 280A can be allotted to West Middlesex consistent with Section 73.207 of the Commission’s Rules. *See* Exhibit A, City of License Change Review. A 70 dBu signal can be provided to West Middlesex from the proposed reference coordinates. *See* Exhibit A3. Because WWIZ(FM)’s facilities will not be relocated, there will be no change in population and area served. *See* Exhibit A.

Cumulus desires to change the community of license for WWIZ(FM) from Mercer to West Middlesex under the guidelines set forth in *Amendment of the Commission’s Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 3870 (1989), *recons. granted in part*, 5 FCC Rcd 7094 (1990). There, the Commission stated that a station may change its community of license without subjecting the license to other expressions of interest if (1) the proposed allotment is mutually exclusive with the current allotment; (2) the current community of license will not be deprived of its only local service; and (3) the proposed arrangement of allotments is preferred under the Commission’s allotment priorities. These criteria are met here. First, the proposed use of Channel 280A at West Middlesex is mutually exclusive with the current use of Channel 280A at Mercer. *See* Exhibit A. Second, Mercer will not be deprived of its only local service because it will continue to be served

by station WLLF(FM). Third, the provision of a first local service at West Middlesex (2000 U.S. Census population 929) under Priority 3 will result in a preferential arrangement of allotments over the retention of local service at Mercer (2000 U.S. Census population 2,391) under Priority 4. *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982).

West Middlesex is not located within the Youngstown, Ohio Urbanized Area. Additionally, the WWIZ(FM) 70 dBu contour currently encompasses 11% of the Youngstown Urbanized Area and will continue to do so following the community of license change. *See Exhibit A4*. Thus, this relocation of WWIZ(FM)'s community of license will not implicate the Commission's policy against the migration of stations from rural to urban areas. *See Faye and Richard Tuck*, 3 FCC Rcd 5374 (1988).

West Middlesex evidences the attributes that the Commission traditionally associates with a community. West Middlesex is identified in the 2000 U.S. Census and therefore is presumed to have the status of a community for allotment purposes. *See Arnold and Columbia, California*, 7 FCC Rcd 6302 (1992).

West Middlesex is a borough of Mercer County, Pennsylvania and has been assigned the 16159 ZIP Code by the U.S. Postal Service, which also operates a branch post office in West Middlesex. West Middlesex is a self-governed community with a popularly-elected mayor and City Council. As further evidence of its status as a community, West Middlesex operates its own volunteer fire department and police department. *See Ex. 1*.

West Middlesex also has its own school district, the West Middlesex Area School District, which operates three schools: Luther W. Low Elementary School, Oakville

Elementary School, and West Middlesex Junior/High School. The District's total enrollment is 1,222 students. Each school has its own library. *See* Ex. 1.

Additionally, a number of local businesses and community organizations identify with West Middlesex by using "West Middlesex" in their names. Examples include the Middlesex Diner, Middlesex Market, Middlesex Tavern, Inc, West Middlesex Eye Care, Middlesex Inn, Middlesex Choppers, West Middlesex United Methodist Church, and West Middlesex Head Start. A number of physicians also practice in West Middlesex. *See* Ex. 1.

For the foregoing reasons the Commission should delete Channel 280A at Mercer, Pennsylvania and allot Channel 280A at West Middlesex , Pennsylvania as that community's first local service.

When using any driving directions or map, it's a good idea to do a reality check and make sure the road still exists, watch out for construction, and follow all traffic safety precautions.

This is only to be used as an aid in planning.
