

TIME BROKERAGE AGREEMENT

THIS TIME BROKERAGE AGREEMENT ("Agreement"), dated as of July 26, 2006, is made and entered into by and between WVJT, LLC ("Broker"), and Impact Broadcasting, Inc. ("Licensee").

WHEREAS, Licensee is authorized to operate the following Stations (the "Stations"):

WXCF(AM), Clifton Forge, Virginia (Facility ID: 28341); and
WXCF-FM, Clifton Forge, Virginia (Facility ID: 28340);

WHEREAS, Broker and Licensee have entered into that certain Asset Purchase Agreement, dated June 29, 2006 (the "Purchase Agreement"), pursuant to which Licensee has agreed to sell to Broker certain of the assets of the Stations;

WHEREAS, Licensee desires to make available to Broker substantially all of the broadcasting time on the Stations; and

WHEREAS, Broker is engaged in the business of radio broadcasting and desires to avail itself of the Stations' available broadcast time from the Operational Commencement Date (as defined herein) until the closing date under the Purchase Agreement, or the expiration of the Term hereof, whichever occurs first.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements herein contained, Broker and Licensee agree as follows:

1. Commencement Date and Facilities.

Commencing at 12:01 a.m. on August 1, 2006 (the "Operational Commencement Date"), Licensee shall broadcast, or cause to be broadcast, over the Stations' transmission facilities, certain programming, consisting of programs, announcements and advertising (the "Programming"), originated by Broker and delivered to Licensee by Broker in compliance with the provisions of Section 6(a) of this Agreement. Broker shall deliver the Programming to Licensee's transmitting facilities at Broker's exclusive cost. The period from the Operational Commencement Date to the termination of this Agreement is the "Operating Period."

2. Term.

This Agreement is effective as of the date hereof ("Effective Date") and, unless sooner terminated, extended or renewed as hereinafter provided, shall end upon the earlier of (1) the closing date of the transaction contemplated by the Purchase Agreement, (2) one year, or (3) as otherwise terminated pursuant to Section 20 hereof. The period from the Commencement Date to the termination of this Agreement is the "Term."

3. Payments by Broker.

In consideration of the air time made available to Broker as provided in this Agreement, Broker shall pay Licensee as set forth in Appendix A attached hereto and incorporated herein by reference.

4. Payments by Licensee.

Licensee shall pay in a timely manner the following costs of the Stations: (i) rents, utilities, insurance and maintenance costs relating to the Stations' studios, towers and transmitter site facilities; (ii) Licensee's operating expenses, including telephone, bank or other debt, and postal service expenses relating to the Stations; (iii) the salaries, payroll taxes, insurance, health benefits and related costs of personnel employed by Licensee in the operation of the Stations after the Operational Commencement Date, provided however, Broker shall not be responsible for reimbursement or payment of any salaries or expenses related to any additional personnel hired by Licensee during the life of this Agreement; and (iv) income, gross receipts, sales, personal property, excise or any other taxes of any nature whatsoever pertaining to the Stations' studio and transmitter facilities and costs related to the production and broadcast of material supplied by Licensee pursuant to Section 6(b) of this Agreement ("Licensee Programming"). The list of costs and expenses to be paid by Licensee is included in Appendix C. Expenses not listed on Appendix C but otherwise payable by Licensee pursuant to this section shall be paid by Licensee.

5. Escrow Deposit.

Broker shall deposit the sum of Twenty Five Thousand Dollars (\$25,000) ("Escrow Deposit") with the Escrow Agent on execution of this Agreement pursuant to the attached Escrow Agreement, Appendix D. The Escrow Deposit is to be refunded to Broker on termination of this Agreement or credited toward the Purchase Price of the Stations.

6. Programs.

(a) Subject to Licensee's ultimate control and supervision, during the Operating Period, Broker shall furnish or cause to be furnished, at its own cost, material in broadcast-ready form for broadcast on the Stations pursuant to this Agreement at all times other than the times of the Licensee Programming, and shall be responsible for implementing its transmission by the Stations, utilizing assets owned by Broker to the extent necessary. All such Broker programs shall accord with the Communications Act of 1934, as amended (as so amended, the "Act"), and all other applicable statutes and Federal Communications Commission ("FCC") rules, policies and requirements. All rights, including, without limitation, all ownership rights and rights of use, relating to the Programming shall belong exclusively to Broker, and Licensee shall have no rights of any kind in or to such programs and hereby disclaims all rights thereto. Broker shall be solely responsible for all costs associated with the production, delivery and implementation of the Programming.

(b) Licensee reserves the following periods to present Licensee Programming: Sunday mornings from 3:00 to 5:00 a.m.

7. License to Use Transmitter Facilities. Broker is hereby granted a limited license to utilize all portions of the building and other structures housing the Stations' studio and transmitter facilities located in Virginia and West Virginia (the "Premises"). Broker shall, subject to Licensee's approval, provide, install and maintain, at its own cost, any additional equipment necessary for the receipt of its Programming by the Stations. Title to any equipment installed on the Premises by Broker shall remain with Broker. Broker does not assume, and shall not be deemed to assume, under this Agreement or otherwise by reason of the transactions contemplated by this Agreement, any liabilities, obligations or commitments of the Licensee of any nature whatsoever, regardless of whether they arise from or relate to the ownership, operations or business of the Stations. This Agreement shall not constitute an assignment of any contract or lease to which the Licensee is a party. Consistent with this Agreement, Licensee shall continue to perform all of its obligations under all contracts, leases and other agreements in a timely manner and otherwise keep all such contracts and leases in full force and effect.

8. Employment.

(a) Licensee shall retain control over and direct the operation of the Stations. Licensee's employees shall report to and be accountable to Licensee. Broker shall have no control or right of review whatsoever over any decision by Licensee to hire or to dismiss any employee of Licensee. Licensee shall be responsible for the salaries, taxes, insurance, severance, bonuses and other benefits or obligations due or payable to all employees of Licensee.

(b) Broker shall employ and shall be solely responsible for salaries, taxes, insurance, severance, bonuses, and other benefits or obligations due or payable to: (i) all personnel used in the production, delivery or implementation of the Programming hereunder or necessary to fulfill Broker's obligations hereunder; and (ii) all employees of Broker. Broker's employees shall be solely accountable to Broker.

(c) Subject to the foregoing, Licensee's staff may assist Broker with administrative or other duties as time permits.

9. Handling of Mail and Public File.

Licensee or Licensee's employees shall handle all mail, cables, telecopies or other written correspondence received at the Stations' main studios. To the extent that Licensee receives any correspondence in connection with the Programming, it or its employees shall promptly notify Broker in writing and deliver a copy of any written communications from the public or the FCC. To the extent that Broker receives or handles mail or telephone calls in connection with any material broadcast over the Stations during the Term, Broker promptly shall advise Licensee, in writing, of any public or FCC complaint or inquiry concerning the Programming or the Licensee Programming. Broker also shall deliver to Licensee copies of all operating and programming information relating to Broker necessary to maintain the public files and other records required to

be kept by FCC regulations, rules and policies. During the Term, Broker, as to the Programming, also shall maintain and deliver to the Stations and Licensee such records and information required by the FCC to be placed in the public inspection files of the Stations relating to the broadcast of political programming and advertisements, in accordance with the provisions of Sections 73.1943 and 73.3526 of the FCC's rules, and pertaining to the broadcast of sponsored programming addressing political issues or controversial issues of public importance, in accordance with the provisions of Section 73.1212 of the FCC's rules. Broker also shall consult with Licensee concerning the Programming to ensure that the Stations are compliant with the Act and all other applicable statutes and the rules, regulations and policies of the FCC, as announced from time to time, with respect to the carriage of political advertisements and programming and the charges permitted therefor. Broker shall provide to the Stations such documentation relating to the Programming as Licensee reasonably shall request. In particular, and without limitation, Broker shall immediately provide to Licensee complete records of all requests for broadcast time made by or on behalf of any candidate for public office, together with information concerning the disposition of such requests and the charges made. Licensee shall be responsible for providing the personnel necessary to maintain complete public files (as required by the FCC) and to compile and file all required quarterly issues/programs lists for the Stations.

10. Maintenance of Equipment.

(a) The studio and transmitter equipment and antennas used for the Stations' broadcasts owned by Licensee (the "Transmission Equipment") shall be maintained by Licensee, with the cooperation of Broker, in a condition consistent with good engineering practices and in compliance in all material respects with the Act and all other applicable rules, regulations and technical standards of the FCC. Licensee shall maintain power and modulation of the Stations' broadcasts in a manner consistent with the Stations' licenses and Licensee's past practices.

(b) All equipment necessary for the delivery of the Programming shall be paid for and/or maintained by Broker in a condition consistent with good engineering practices and in compliance in all material respects with the Act and all other applicable rules, regulations and technical standards of the FCC.

11. Responsibility for Production Expenses.

Broker shall pay for all costs associated with producing, providing and delivering the Programming and sale of radio time, all fees to ASCAP, BMI and SESAC and any other music licensing organization, attributable to the Programming and any other copyright fees attributable to the Programming. Broker shall pay any costs associated with any affiliation with any network.

12. Control of the Stations.

During the Term, Licensee shall retain ultimate control over the Stations' technical facilities and Broker agrees that Licensee shall be entitled to take any and all steps necessary to maintain such control continuously throughout the Term. Licensee and Broker acknowledge and

agree that Licensee's responsibility to retain control is an essential element of the continuing validity and legality of this Agreement. Licensee shall retain ultimate control, said control to be reasonably exercised, over the policies, programming and operations of the Stations, including, without limitation, the right to decide whether to accept or reject any programming or advertisements, and the right to take any other actions necessary to comply with the laws of the United States and the rules, regulations and policies of the FCC. Licensee shall maintain the Stations' main studios in compliance with the FCC's rules and regulations and Broker shall take such actions as Licensee may reasonably request to ensure such requirements are met. Broker shall not represent, warrant or hold itself out as the Stations' owner and shall sell all advertising time and enter into all agreements in its own name. Licensee reserves the right to refuse to broadcast any program or programs containing matter which is, or in the reasonable opinion of Licensee may be, violative of any right, law, or governmental rule, regulation or policy.

13. Special Events.

Licensee has the right to reject any of the Programming and to substitute on a temporary basis a program that, in the reasonable opinion of Licensee, is of greater local or national importance. Licensee confirms that no Programming shall be rejected on the basis of Programming performance or ratings, advertiser reaction or the availability of alternative programming (including, but not limited to, sporting events or paid programming) that Licensee believes to be more profitable or more attractive. In the event of such rejection and substitution, Licensee shall give Broker written notice of such rejection and substitution, and the reasons therefor, in advance of the scheduled broadcast, or as soon thereafter as possible (including an explanation of the cause of any lesser notice). In the event of such preemption, Broker shall receive a payment credit in an amount equal to the actual loss of revenue by Broker during the time its Programming was pre-empted, which shall equal the loss of the Stations' local and national revenues in connection with the actual time preempted.

14. Force Majeure.

Any failure or impairment of facilities or any delay or interruption in broadcast programs, or failure at any time to furnish facilities, in whole or in part, for broadcasting, due to any acts of God, strikes or threats thereof or force majeure or due to any other causes beyond the reasonable control of Licensee or Broker shall not constitute a breach of this Agreement and Licensee or Broker, as the case may be, will not be liable to the other party hereto therefor, provided such party uses reasonable diligence to correct such failure or impairment as soon as is reasonably possible.

15. Station IDs.

Licensee hereby grants to Broker an exclusive license to use the call letters and other identifiers as are currently used or in the future may be used by the Stations (the "Stations' Licensed Identifiers") in connection with the broadcast of Broker's Programming on the Stations, but for no other purpose. The license granted herein shall expire on the Closing Date or upon the expiration or earlier termination of this Agreement. During the entire Term of this

Agreement, Broker shall use the Stations' Licensed Identifiers in Broker's Programming in a manner consistent with the use thereof by Licensee in broadcasts on the Stations immediately prior to the Operational Commencement Date and as may be required by the Act or the rules, regulations and policies of the FCC.

16. Payola.

Broker shall provide Licensee with payola affidavits, substantially in the form attached hereto as Appendix B, signed by such of Broker's employees and at such times as Licensee may reasonably request in writing, and shall notify Licensee promptly of any violations it learns of relating to the Act, including Sections 317 and 508 thereof.

17. Compliance with Law and Other Agreements.

Broker and Licensee shall, throughout the Term, comply in all material respects with the Act, the rules, regulations and policies of the FCC, the terms of the Stations' FCC licenses and all other laws and regulations applicable to the conduct of the Stations' business.

18. Indemnification.

Each party (as the case may be, the "Indemnitor") shall indemnify and hold harmless the other party (as the case may be, the "Indemnitee"), its directors, officers, employees, agents and affiliates, as applicable, from and against any and all liability, including without limitation all reasonable attorneys fees, arising out of or incident to the programming furnished by the Indemnitor, any breach of this Agreement by the Indemnitor or the conduct of the Indemnitor, its directors, officers, employees, contractors, agents or affiliates. Without limiting the generality of the foregoing, Indemnitor shall indemnify and hold and save the Indemnitee, its directors, officers, employees, agents and affiliates harmless against liability for libel, slander, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights resulting from the programming furnished by the Indemnitor.

19. Events of Default.

Each of the following shall constitute an "Event of Default" under this Agreement:

19.1. Default in Covenants. Broker's or Licensee's material non-observance or material non-performance of any covenant or agreement contained herein, or in the Purchase Agreement, (provided, however, that such default shall not constitute an Event of Default hereunder unless such default is not cured within thirty (30) business days after delivery of written notice thereof to the breaching party by the non-breaching party), except that a default in payment by Broker must be cured within five (5) business days after delivery of notice (by telephone, facsimile or otherwise) thereof to Broker; or

19.2. Breach of Representation. Broker's or Licensee's material breach of any representation or warranty herein, or in any certificate or document furnished pursuant to the provisions hereof, which shall prove to have been false or misleading in any material respect, as of the time made or furnished, and not cured within thirty (30) business days after delivery of written notice thereof to the breaching party by the non-breaching party.

20. Termination.

20.1. Termination Upon an Event of Default. Either party may terminate this Agreement by written notice to the other party upon the occurrence of an Event of Default; provided, however, that the party serving such notice shall not then be in default of its obligations under this Agreement.

20.2. Effect of Termination. Upon termination of this Agreement pursuant to this Section 20, each party shall be free to pursue any and all remedies available at law, in equity or otherwise. Licensee, in addition to its other legal and equitable rights and remedies under this Agreement or under applicable law, shall be entitled immediately to cease making available to Broker any further broadcast time or broadcast transmission facilities. Broker, in addition to its other legal and equitable rights and remedies under this Agreement or under applicable law, shall be entitled immediately to cease providing any further Programming to be broadcast on the Stations, and a refund any amounts which have been prepaid to Licensee beyond the termination date shall be immediately due and payable to Broker.

20.3. Liabilities Upon Termination. Broker shall pay all debts and obligations resulting from its use of the Stations' air time and transmission facilities, including, without limitation, accounts payable and net barter balances relating to the period on and after the Operational Commencement Date and through the effective date of termination of this Agreement and shall be entitled to the revenues and other credits for that period.

20.4. Specific Performance. In addition to Broker's rights of termination hereunder (and in addition to any other remedies available to it or provided under law), Broker may seek specific performance of this Agreement, in which case Licensee shall waive the defense of an adequate remedy at law and interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy hereunder.

21. Revenues.

Broker shall receive all revenues attributable to the Programming aired on the Stations on and from the Operational Commencement Date and for the period thereafter during the Term of this Agreement. All revenues arising from the operation of the Stations prior to the Operational Commencement Date shall be the sole property of Licensee.

22. Representations, Warranties and Covenants.

22.1 Broker represents and warrants to, and covenants with, Licensee that:

(a) This Agreement has been duly executed and delivered by Broker, and constitutes its valid and binding obligation, enforceable against it in accordance with its terms, except as limited by laws affecting the enforcement of creditor's rights generally or equitable principles. Broker has all necessary power and authority to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary organizational action on Broker's part.

(b) No consent of any other party is required in connection with the execution, delivery or performance by Broker of this Agreement.

(c) The execution, delivery and performance of this Agreement will not violate any provision in Broker's articles of organization or operating agreement, nor will it constitute or result in the breach of any term, condition or provision of, or constitute a default under, or accelerate or permit the acceleration of any performance required by, any agreement or other instrument to which Broker is a party or by which any part of its property is bound, or violate any law, regulations, judgment or order binding upon Broker.

(d) No proceeding is pending or, to the knowledge of Broker, threatened against Broker before any court, government agency or arbitral tribunal that would enjoin or prohibit, or which otherwise questions the validity of, any action taken or to be taken in connection with this Agreement.

(e) Broker shall present Programming which shall serve the needs and interests of the Stations' service areas.

22.2 Licensee represents and warrants to, and covenants with, Broker that:

(a) This Agreement has been duly executed and delivered by Licensee, and constitutes a valid and binding obligation, enforceable against it in accordance with its terms, except as limited by laws affecting the enforcement of creditor's rights generally or equitable principles. Licensee has all necessary corporate power and authority to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary corporate action on Licensee's part.

(b) No consent of any other party is required in connection with the execution, delivery or performance by Licensee of this Agreement.

(c) The execution, delivery and performance of this Agreement will not violate any provision in Licensee's articles of incorporation or bylaws, nor will it constitute or result in the breach of any term, condition or provision of, or constitute a default under, or accelerate or permit the acceleration of any performance required by any agreement or other instrument to which Licensee is a party or by which any part of its property is bound, or violate any law, regulation, judgment or order binding upon Licensee.

(d) No proceeding is pending or, to the knowledge of Licensee, threatened against Licensee before any court, governmental agency or arbitral tribunal that would enjoin or prohibit, or which otherwise questions the validity of, any action taken or to be taken in connection with this Agreement.

(e) During the Term of this Agreement, Licensee will hold and maintain all licenses and other permits and authorizations necessary for the operation of the Stations, and such licenses, permits and authorizations are and will be in full force and effect throughout the Term of this Agreement.

23. Modification and Waiver.

No modification or waiver of any provision of this Agreement shall in any event be effective unless the same shall be in writing and signed by the parties, and then such waiver and consent shall be effective only in the specific instance and for the purpose for which given.

24. Delay in Exercise of Remedies; Remedies Cumulative.

No failure or delay on the part of Licensee or Broker in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of Licensee and Broker herein provided are cumulative and are not exclusive of any right or remedies which they may otherwise have.

25. Construction.

This Agreement shall be construed in accordance with the internal substantive (that is, without reference to conflict of) laws of the Commonwealth of Virginia and the obligations of the parties hereto are subject to all Federal, state or municipal laws or regulations now or hereafter in force and to the regulations and policies of the FCC and all other governmental bodies or authorities presently or hereafter duly constituted. The parties believe that the terms of this Agreement meet all of the requirements of current FCC policy for time brokerage agreements for radio stations and agree that they shall negotiate in good faith to meet any FCC concern with respect to this Agreement if they are incorrectly interpreting current FCC policy or if FCC policy as hereafter modified so requires. If the parties cannot agree to a modification or modifications deemed necessary by either party to meet FCC requirements, the termination

provisions of Section 20 above shall apply. The parties further agree that they will make all required filings with the FCC with respect to this Agreement.

26. Headings.

The headings contained in this Agreement are included for convenience only and no such heading shall in any way alter the meaning of any provision.

This Agreement may be assigned to the same extent that the Purchase Agreement may be assigned.

28. Counterpart Signatures.

This Agreement may be signed in one or more counterparts, each of which shall be deemed a duplicate original, binding on the parties hereto notwithstanding that the parties are not signatory to the same original or the same counterpart.

29. Notices.
