Facility Identification No. 24229  
File Number: BP-19890214AE

Dear Mr. Belisle:

This letter is in reference to: the above-captioned minor change application to change site, pattern, and city of license (from Clewiston, Florida, to Caper Coral, Florida); the July 27, 2012, request to withhold action until December 31, 2012, to submit a final curative amendment; and the January 29, 2013, request for an additional 180 days to amend.

The January 29, 2013, request stated that GMC had underestimated the amount of time that would be needed to prepare and file a curative amendment to resolve all problems, therefore additional time is needed. Accordingly, the request is hereby granted, and further action on the subject application will be withheld until August 13, 2013, to allow time to amend. Failure to amend within this time period will result in the dismissal of the application pursuant to 47 C.F.R. § 73.3568(a) of the Commission's rules.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Son Nguyen', followed by a small, stylized mark that looks like 'fn'.
