ARTICLE 7: CONDITIONS TO THE OBLIGATIONS OF SELLER

The obligations of Seller under this Agreement are subject to the fulfillment of the following conditions prior to or on the Closing Date:

7.1 **Representations, Warranties and Covenants.**

(a) Each of the representations and warranties of Buyer contained in this Agreement was true and correct as of the date when made and is deemed to be made again on and as of the Closing Date and is then true and correct.

(b) Buyer shall have performed and complied with each and every covenant and agreement required by this Agreement to be performed or complied with by it prior to or on the Closing Date.

7.2 **Proceedings.** Neither Seller nor Buyer is subject to any restraining order or injunction (or similar action) and no action is pending which would restrain or prohibit the consummation of the transaction contemplated hereby.

7.3 **FCC Authorizations.** The FCC Consent has been issued by the FCC with no conditions materially adverse to Seller.

7.4 **Deliveries.** Buyer has complied with each and every one of its obligations set forth in Section 9.2.

ARTICLE 8: CONDITIONS TO THE OBLIGATIONS OF BUYER

The obligations of Buyer under this Agreement are subject to the fulfillment of the

following conditions prior to or on the Closing Date:

8.1 **Representations, Warranties and Covenants.**

(a) Each of the representations and warranties of Seller contained in this Agreement was true and correct as of the date when made and is deemed to be made again on and as of the Closing Date and is then true and correct.

(b) Seller shall have performed and complied with each and every covenant and agreement required by this Agreement to be performed or complied with by Seller prior to or on the Closing Date.

8.2 **Proceedings.** Neither Seller, Buyer, the Station nor any of the Purchased Assets is subject to any restraining order or injunction (or similar action) and no action is pending which would restrain or prohibit the consummation of the transaction contemplated hereby.

8.3 **FCC Authorizations.** The FCC Consent has been issued by the FCC with no conditions materially adverse to Buyer and shall have become a Final Order.

8.4 **Deliveries.** Seller has complied with each and every one of the obligations set forth in Section 9.1.

8.5 [Reserved.]

8.6 **Liens.** No Liens shall exist or have been filed or recorded against the Purchased Assets in the public records of the Secretary of State of Seller's state of organization or in any other jurisdiction in which the Purchased Assets are located except for those which will be fully discharged on or prior to the Closing Date. Duly executed UCC releases, mortgage terminations or other similar documents or instruments required to transfer the Purchased Assets free and clear of Liens (other than Permitted Liens) in a form reasonably acceptable to Buyer shall have been delivered by Seller.

8.7 **On-Air Status.** None of the FCC Authorizations shall have been cancelled or permanently discontinued as a result of the FCC's post-auction repacking process or the FCC's rules related to suspension of operations.

8.8 **Modification of Broadcast Facilities.** The parties acknowledge that the ION Agreement requires certain modifications to the Station to accommodate interference mitigation, which may include the Station (i) relocating pursuant to the ION Agreement, (ii) relocating to another site that has not yet been identified, or (iii) remaining at its current site using increased power, as authorized by the FCC. As a condition to closing, Buyer shall have (a) identified facilities, including equipment, tower site, and power levels that collectively equal or improve the noise-limited contour coverage of the station as of the date hereof, and (b) obtained all regulatory and contractual approvals (e.g., site leases) necessary to construct and operate such new facilities. Seller shall cooperate with Buyer to permit Buyer to file a contingent application for such modifications (if necessary) in Buyer's name pursuant to Section 73.3517 of the

Commission's rules. If there is a disagreement about whether the new noise-limited contour coverage is equal to or an improvement over the Station's existing facilities as of the date hereof, the parties shall engage a mutually acceptable neutral broadcast consulting engineer to make a determination, whose findings shall be accepted by both parties and whose cost shall be shared equally by the parties. If the Closing is delayed more than 180 days after the FCC Consent because the condition to closing described in this Section 8.8 has not been satisfied or waived by Buyer, Seller may terminate this Agreement. In the event of such termination, Seller shall be entitled to receive the Escrow Deposit.

ARTICLE 9: ITEMS TO BE DELIVERED AT CLOSING

9.1 **Deliveries by Seller.** At Closing, Seller shall deliver to Buyer, duly executed by each Seller or such other signatory as may be required by the nature of the document:

(a) a certificate, dated as of the Closing Date, executed by an officer of Seller, certifying on behalf of Seller that the closing conditions specified in Sections 8.1(a) and (b) have been satisfied;

(b) a bill of sale sufficient to sell, convey, transfer and assign the personal property and all other assets included in the Purchased Assets (other than the FCC Authorizations) to Buyer free and clear of any Liens, in a form reasonably acceptable to Buyer and Seller (the "Bill of Sale");

(c) an Assignment and Assumption Agreement sufficient to transfer and assign the ION Agreement to Buyer free and clear of any Liens in a form reasonably acceptable to Buyer and Seller.

(d) an Assignment and Assumption Agreement sufficient to assign the FCC Authorizations (including the Station's call letters) to Buyer, in a form reasonably acceptable to Buyer and Seller (the "FCC Authorizations Assignment and Assumption Agreement");

(e) [Reserved.]

(f) [Reserved.]

(g) the Programming Agreement in the form attached hereto as Exhibit A (the "Programming Agreement");

(h) [Reserved.]

(l) copies of documentation, if any, of all FCC mandated relocation costs and expenses incurred and paid by Seller prior to Closing, in form and detail reasonably acceptable to Buyer.

9.2 **Deliveries by Buyer.** At the Closing, Buyer shall deliver to Seller, duly executed by Buyer or such other signatory as may be required by the nature of the document:

(a) a certificate for Buyer, dated as of the Closing Date, executed by an officer or other authorized representative of Buyer, certifying on behalf of Buyer that the closing conditions specified in Sections 7.1(a) and (b) have been satisfied;

(b) the payment of the Purchase Price in accordance with Section 1.4;

(c) the Bill of Sale;

(d) the Assignment and Assumption of the ION Agreement.

(e) the FCC Authorizations Assignment and Assumption Agreement;

(i) certified copies of resolutions, duly adopted, which shall be in full force and effect at the time of the Closing, authorizing the execution, delivery and performance by Buyer of this Agreement, and the consummation of the transaction contemplated hereby.

ARTICLE 10: SURVIVAL AND INDEMNITY

The rights and obligations of Buyer and Seller under this Agreement shall be subject to the following terms and conditions:

10.1 **Survival of Representations and Warranties.** Except as stated below, the representations and warranties of Buyer and Seller contained in this Agreement shall survive the Closing for eighteen (18) months from the Closing Date. Except as stated below, neither Seller nor Buyer shall have any liability whatsoever with respect to any representation or warranty unless a claim is made hereunder or an action at law or in equity is commenced prior to expiration of the eighteen (18) month survival period for such representation or warranty. The covenants and agreements in this Agreement shall survive until fully performed.

10.2 General Agreement to Indemnify.

(a) Seller shall indemnify, defend and hold harmless Buyer and any employee, representative, agent, director, officer, affiliate or permitted assign of Buyer (each, a “Buyer Indemnified Party”) from and against any Losses asserted against, incurred or suffered by any Buyer Indemnified Party as a result of, arising out of or relating to: (i) the failure of any representation or warranty of the Indemnifying Party made in this Agreement to have been true and correct when made or as of the Closing Date as though such representation or warranty were made at and as of the Closing Date; (ii) the breach by the Indemnifying Party of any covenant or agreement of such Party contained in this Agreement or any collateral agreement to the extent not waived by the other Party hereto; (iii) the operation of the Station and ownership of the Purchased Assets prior to the Closing; or (iv) any Retained Liability.

(b) Buyer shall indemnify, defend and hold harmless Seller and any employee, representative, agent, director, officer, affiliate or permitted assign of Seller (each, a “Seller Indemnified Party”, and together with a Buyer Indemnified Party, an “Indemnified Party”) from and against any Losses asserted against, incurred or suffered by Seller Indemnified Party as a result of, arising out of or relating to: (i) the failure of any representation or warranty of the Indemnifying Party made in this Agreement to have been true and correct when made or as of the Closing Date as though such representation or warranty were made at and as of the Closing Date; or (ii) the breach by the Indemnifying Party of any covenant or agreement of such Party contained in this Agreement or any collateral agreement to the extent not waived by the other Party hereto;

(c) The term “Losses” shall include any and all claims, claims, actions, suits, proceedings, liabilities, obligations, losses and damages, amounts paid in settlement, diminution of value, interest, costs and expenses (including reasonable attorneys’ fees, court costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing), including consequential, indirect, incidental, special, punitive, and exemplary damages and lost-profits, whether based on contract, tort, strict liability, other law or otherwise.

10.3 General Procedures for Indemnification.

(a) The Indemnified Party seeking indemnification under this Agreement shall promptly notify in writing the Party or Parties against whom indemnification is sought (the “Indemnifying Party”) of the assertion and basis of any claim, or the commencement and basis of any action, suit or proceeding by any third party in respect of which indemnity may be sought hereunder (a “Third Party Claim”) and will give the Indemnifying Party such information with respect thereto as the Indemnifying Party may reasonably request, but failure to give such notice shall not relieve the Indemnifying Party of any liability hereunder (unless the Indemnifying Party has suffered material prejudice by such failure). The Indemnifying Party shall have the right, but not the obligation, exercisable by written notice to the Indemnified Party within thirty (30) days of receipt of notice from the Indemnified Party of the commencement of a Third Party Claim, to assume the defense and control the settlement of such Third Party Claim that involves (and continues to involve) solely money damages; provided, however, that prior to assuming any claim defense, the Indemnifying Party must show the other Party that they have the financial ability to pay out any potential monetary claim before they are allowed to assume its defense.

Failure by the Indemnifying Party to so notify the Indemnified Party shall be deemed a waiver by the Indemnifying Party of its right to assume the defense of such claim.

(b) Whether or not the Indemnifying Party chooses to defend or prosecute any Third Party Claim, the Parties hereto shall cooperate in the defense or prosecution thereof and shall furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may be reasonably requested in connection therewith.

(c) The Indemnifying Party or the Indemnified Party, as the case may be, shall have the right to participate in (but not control), at its own expense, the defense of any Third Party Claim that the other is defending, as provided in this Agreement, provided that the Indemnifying Party shall pay the cost of defense of both parties by separate counsel if a conflict of interest precludes common representation.

(d) The Indemnifying Party, if it has assumed the defense of any Third Party Claim as provided in this Agreement, shall not consent to, or enter into, any compromise or settlement of, or consent to the entry of any judgment arising from, any such Third Party Claim (which compromise, settlement, or judgment: (i) commits the Indemnified Party to take, or to forbear to take, any action; or (ii) does not provide for a complete release by such Third Party of the Indemnified Party) without the Indemnified Party's prior written consent. If the conditions set forth herein are met but the Indemnified Party refused to settle any Third Party Claim, the Indemnifying Party may tender the settlement amount and be relieved of further liability. The Indemnifying Party shall not be entitled to require that any action be brought against any other person before action is brought against it hereunder by the Indemnified Party, but shall be subrogated to any right of action to the extent that it has paid or successfully defended against any Third Party Claim.

10.4 **Effect of Knowledge.** The right to indemnification or any other remedy based on representations, warranties, covenants and agreements in this Agreement shall not be affected by any investigation conducted at any time, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement, waiver of any condition based on the accuracy of any representation or warranty, or on the performance of or compliance with any such covenant or agreements, will not affect the right to indemnification or any other remedy based on such representations, warranties, covenants and agreements.

ARTICLE 11: TERMINATION

11.1 **Termination.** This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of Seller and Buyer;
- (b) by written notice of Seller to Buyer if Buyer: (i) does not satisfy the conditions or perform the obligations to be satisfied or performed by Buyer on or before the Closing Date in any material respect; (ii) breaches in any material respect any of Buyer's

representations or warranties; or (iii) defaults in any material respect in the performance of any of Buyer's covenants or agreements under this Agreement; and in any of which events such breach or default is not cured within the Cure Period (as defined below), if applicable;

(c) by written notice of Buyer to Seller if Seller: (i) does not satisfy the conditions or perform the obligations to be satisfied or performed by Seller on or before the Closing Date in any material respect; (ii) breaches in any material respect any of Seller's representations or warranties; or (iii) defaults in any material respect in the performance of any of Seller's covenants or agreements under this Agreement; and in any of which events such breach or default is not cured within the Cure Period (as defined below), if applicable;

(d) by Buyer as provided in Section 12.6 (Risk of Loss); or

(e) by written notice of Seller to Buyer, or Buyer to Seller: (i) if the Closing has not been consummated within twelve (12) months of the Effective Date of this Agreement; (ii) if, for any reason, the FCC denies or dismisses the Assignment Application and the time for reconsideration or court review under the Communications Laws with respect to such denial or dismissal has expired and there is not then pending with respect thereto a timely filed petition for reconsideration or request for review; or (iii) if, for any reason, the Assignment Application is designated for an evidentiary hearing, provided, however, that the right to terminate this Agreement under this clause (e) shall not be available to any Party whose breach of this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or before such date.

11.2 **Cure Period.** The term "Cure Period" as used herein means a period commencing with the date that Buyer or Seller receives from the other Party written notice of breach or default hereunder and continuing until thirty (30) days thereafter; provided, however, that if the breach or default cannot reasonably be cured within such period, but can be cured before the Closing Date, and if diligent efforts to cure promptly commence, then the Cure Period shall continue as long as such diligent efforts to cure continue, but not beyond the Closing Date. Except as set forth below, the termination of this Agreement shall not relieve any Party of any liability for breach or default under this Agreement prior to the date of termination.

11.3 **Liability; Right to Terminate.** A termination of this Agreement shall not relieve any Party hereto of any liability for which it otherwise would be subject. Notwithstanding anything in this Agreement to the contrary, no Party that is in material breach of this Agreement shall be entitled to terminate this Agreement except with the written consent of the other Party.

11.4 Payment of Escrow Deposit.

(a) **Buyer's Default.** Upon a termination of this Agreement by Seller pursuant to Section 11.1(b) above due to a breach by Buyer of any of its material obligations under this Agreement, Seller's sole remedy shall be the release of the Escrow Deposit from the Escrow Agent, as liquidated damages. Seller and Buyer each acknowledge that these liquidated damages are reasonable in light of the anticipated harm that would be caused by Buyer's breach of any of its material obligations under this Agreement and the difficulty of ascertaining damages and proof of loss and that these damages are not a penalty.

(b) **Seller's Default.** Upon a termination of this Agreement by Buyer pursuant to Section 11.1(c) due to a breach by Seller of any of its material obligations under this Agreement, Buyer may terminate this Agreement and shall be entitled to release of the Escrow Deposit to it from the Escrow Agent. If Buyer stands willing, ready, and able to close and is not in breach, and if Seller nevertheless refuses to close and Buyer elects to terminate this Agreement, Buyer shall further be entitled to receive, as liquidated damages and not as a penalty, the sum of Forty Thousand Dollars (\$40,000) (the "Liquidated Damages Amount"). Instead of terminating this Agreement, upon a default by Seller, Buyer may seek specific performance as provided in Section 11.4(d) below.

(c) **Other Termination.** Upon a termination of this Agreement for any reason other than as a result of a breach by either Party of its material obligations under this Agreement, Buyer shall be entitled to the release of the Escrow Deposit, and thereafter neither Party shall have any further obligation to the other under this Agreement.

(d) **Specific Performance.** Seller acknowledges that the Station is a unique asset not readily obtainable on the open market and that, in the event that Seller fails to perform its obligation to consummate the transaction contemplated hereby, money damages alone will not be adequate to compensate Buyer for its injury. Therefore, Seller agrees and acknowledges that in the event of Seller's failure to perform Seller's obligation to consummate the transaction contemplated hereby, Buyer shall be entitled to specific performance of the terms of this Agreement and of Seller's obligation to consummate the transaction contemplated hereby. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law, and the prevailing Party in litigation shall be entitled to receive from the non-prevailing Party all court costs, attorney's fees and other out-of-pocket expenses incurred by the prevailing Party in enforcing or defending its rights under this provision.

ARTICLE 12: MISCELLANEOUS

12.1 **Governing Law; Waiver of Trial by Jury.** The construction and interpretation of this Agreement shall at all times and in all respects be governed by the laws of the State of New York (exclusive of those relating to conflicts of laws). Any action at law, suit in equity or judicial proceeding arising directly, indirectly, or otherwise in connection with, out of, related to or from this Agreement, or any provision hereof, shall be litigated exclusively in the State of New in New York County or federal courts in New York County, New York. The Parties hereby

consent to the personal and subject matter jurisdiction of such courts and waive any right to transfer or change the venue of any litigation between them. EACH OF BUYER AND SELLER HEREBY WAIVES (ON BEHALF OF ITSELF AND ITS AFFILIATES), TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO A TRIAL BY JURY.

12.2 **Expenses; Taxes.** Except as provided in Section 2.1 and in this Section 12.2, each Party hereto shall bear all of its expenses incurred in connection with the transaction contemplated by this Agreement, including accounting, engineering and legal fees incurred in connection herewith. Any state or local sales, use, stamp or transfer taxes and other similar taxes payable in connection with consummation of the transactions contemplated herein shall be paid by the Party against whom such taxes are assessed by the applicable governmental authority.

12.3 **Entire Agreement; Amendment; No Waiver.** This Agreement, including the schedules and exhibits hereto, contain the entire agreement and understanding by and between the Parties, and no other representations, promises, agreements, or understanding, written or oral, not contained herein shall be of any force or effect, the terms of which are superseded and replaced by this Agreement. This Agreement may only be amended in a writing signed by the Parties. No oral agreement shall have any effect. No failure or delay in exercising any right hereunder shall be deemed or construed to be a waiver of such right, either prospectively or in the particular instance. This Agreement has been prepared by all of the Parties hereto, and no inference of ambiguity against the drafter of a document therefore applies against any Party hereto.

12.4 **Confidentiality.** Except for information about the Station and the Purchased Assets acquired by Buyer at the Closing (which shall be deemed confidential information of Buyer at the Closing) and except where such information is known through other lawful sources or where its disclosure is required in accordance with applicable law, including requirements of the FCC pursuant to the Assignment Application, each of Buyer and Seller shall keep confidential all information obtained by it with respect to the other Party in connection with this Agreement. If the transaction contemplated hereby is not consummated for any reason, Buyer and Seller shall return to each other or destroy, without retaining a copy thereof in any medium whatsoever, any schedules, documents or other written information, including all financial information, obtained from the other in connection with this Agreement and the transaction contemplated hereby.

12.5 **Public Announcements.**

(a) Prior to the Closing Date, no Party shall, without the approval of the other Party hereto, make any press release or other public announcement concerning the transaction contemplated by this Agreement, except (i) to announce that the transaction has been entered into and (ii) as and to the extent that such Party shall be so obligated by law or the rules of any stock exchange, in which case such Party shall give advance notice to the other Party and the Parties shall use their best efforts to cause a mutually agreeable release or announcement to be issued.

(b) Notwithstanding the foregoing, the Parties acknowledge that the rules and regulations of the FCC require that local public notice of the transaction contemplated by this

Agreement be made after the Assignment Application has been filed with the FCC and that a copy of this Agreement be included as a material part of the Assignment Application, which will be made available for public inspection at the Station and in the FCC's records. The form and substance of the required public notice, to the extent not dictated by the rules and regulations of the FCC, shall be mutually agreed upon by Seller and Buyer.

12.6 **Risk of Loss.** The risk of loss to any of the Purchased Assets on or prior to the Closing Date shall be upon Seller. Seller shall use all commercially reasonable efforts to repair or replace any damaged or lost Purchased Assets; provided, however, that in the event that any Purchased Asset or Purchased Assets incur(s) damages which are expected to exceed Ten Thousand Dollars (\$10,000) to repair or any Purchased Asset or Purchased Assets having a fair market value of Ten Thousand Dollars (\$10,000), or more, is lost as of the date otherwise scheduled for the Closing, then Buyer may, at its option, upon prior written notice to Seller, either (a) postpone the Closing for a period of up to sixty (60) days while Seller shall repair or replace such Purchased Asset or Purchased Assets, (b) elect to close the transaction contemplated herein with such Purchased Asset or Purchased Assets in their damaged or lost condition, in which case Seller shall assign to Buyer all proceeds of insurance on such damaged or lost Purchased Asset or Purchased Assets, and Buyer shall have the responsibility to repair or replace such damaged or lost Purchased Asset or Purchased Assets, or (c) if such damage or loss exceeds Forty Thousand Dollars (\$40,000), may terminate this Agreement without penalty upon written notice to Seller. Should the Station not operate with at least 80% of its full, FCC-licensed facilities for a period of thirty (30) consecutive days, without appropriate notice or application the FCC, and for reasons other than *force majeure*, Buyer may elect to terminate this Agreement without penalty upon giving written notice thereof to Seller.

12.7 **Control of Station.** Buyer and Seller agree that Buyer shall not, directly or indirectly, control, supervise or direct the operation of the Station prior to Closing. Consistent with the Communications Laws, control, supervision and direction of the operation of the Station prior to Closing shall remain the responsibility of Seller as holder of the FCC Authorizations.

12.8 **Successors and Assigns.** Except as otherwise expressly provided herein, this Agreement shall be binding upon and inure to the benefit of the Parties hereto, and their respective representatives, heirs, successors and assigns. Seller may not assign this Agreement or any part hereof without the prior written consent of Buyer, which shall not be withheld unreasonably, and any attempted assignment without such consent shall be void. Buyer may not assign this Agreement or any part hereof, without the prior written consent of Seller, which shall not be unreasonably withheld, conditioned or delayed. In the event of any assignment of this Agreement, the assignee shall enter into a written agreement accepting joint and several liability for all obligations under this Agreement.

12.9 **Notices.** All notices, requests, demands and other communications required or permitted under this Agreement shall be in writing and shall be deemed to have been duly given (a) when personally served, (b) one business day following the day when sent by Federal Express or a similar overnight courier service, expenses prepaid, (c) three business days following the day when sent by postpaid registered or certified mail, or (d) when sent by email (provided that an additional copy is sent within two business days thereafter in accordance with the delivery

method set forth in the preceding clauses (a) or (b)), in each case to the Parties at the following addresses:

12.10 **Further Assurances.** From time to time prior to, on and after the Closing Date, each Party hereto will execute all such instruments and take all such actions as the other Party shall reasonably request, without payment of further consideration, in connection with carrying out and effectuating the intent and purpose hereof and all transactions contemplated by this Agreement, including the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered on the Closing Date, and any and all actions which may reasonably be necessary to complete the transaction contemplated hereby. The Parties shall cooperate fully with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

12.11 **Partial Invalidity.** Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein, or its application to any particular circumstance shall, for any reason, be held to be invalid or unenforceable by a court of competent jurisdiction, such provision or such application shall be ineffective to the extent of such invalidity or unenforceability in such jurisdiction, without invalidating the remainder of such provision or any other provisions hereof, or its application in any other circumstance, unless such a construction would be unreasonable, and without invalidating such provision or its application in any other jurisdiction.

12.12 **No Third Party Beneficiaries.** Nothing in this Agreement, express or implied, is intended to or shall confer upon any person other than the Parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement.

12.13 **Construction.** The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. When a reference is made in this Agreement to a Party or to a Section, Exhibit or Schedule, such reference shall be to a Party to, a Section of, or an Exhibit or Schedule to, this Agreement, unless otherwise indicated. All terms defined in this Agreement shall have their defined meanings when used in any Exhibit or Schedule to this Agreement or any certificate or other document made or delivered pursuant hereto, unless otherwise defined therein. Whenever used in this Agreement, "business day" shall mean any day, other than a Saturday or a Sunday or a day on which banking and savings and loan institutions are authorized or required by applicable law to be closed in the State of Delaware. Whenever the words "include", "includes", "including" or "such as" are used in this Agreement, they shall be deemed to be followed by the words "without limitation". The word "will" shall be construed to have the same meaning and effect as the word "shall". The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The word "or" when used in this Agreement is not exclusive. The word "extent" in the phrase "to the extent" means the degree to which a subject or other thing extends, and such phrase shall not mean simply "if". Whenever used in this Agreement, any noun or pronoun shall be deemed to include the plural as well as the singular and to cover all genders. Any contract or statute defined or referred to herein means such contract or statute as from time to time amended, supplemented or modified, including (a) in the case of contracts, by waiver or consent and, in the case of statutes, by succession of comparable successor statutes and (b) all attachments thereto and instruments incorporated thereby. The words "asset" and "property" shall be construed to have the same meaning and effect. References to a person are also to its permitted successors and assigns.

12.14 **Facsimile; Counterparts.** This Agreement may be executed by facsimile or email transmission and in counterparts, each of which shall constitute an original but together will constitute a single document.
