**Re: Notification of Resumption of Service
KAKL(FM), Anchorage, Alaska (FIN: 93003)**

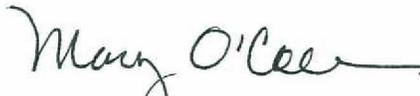

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM station KAKL(FM), Anchorage, Alaska, this letter is to notify the Commission that KAKL has been restored to its full on-air FCC authorized operations, effective January 1, 2013.

On December 14, 2012, EMF requested special temporary authority to take KAKL of the air as a result of a transmitter failure. EMF has made the repairs and has returned the station to on-air operations. Please update the Commission's records to reflect this resumption of service notification and accordingly, we request that special temporary authority (BSTA-20121214AAC) be dismissed.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
