Section II, Question 2(b)

Grace Outreach Bible Church, Inc. was founded on October 4, 1992, and incorporated on February 20, 1997, in Greenville, Mississippi. Its mission is to evangelize through proclaiming and teaching the Word. One method it uses is educating its members and others in the community with Bible principles and application. Another method is through involvement in service to its membership and other citizens in the Greenville community.

An LPFM radio station will allow Grace Outreach to better achieve its mission through community service, education, training students, and inspiration to its membership and others in the following ways.

*Broadcast Training*

- We plan to include local high school and college students in the programming and broadcasting of the radio station

*Community Service*

- Weekly programming covering health-related issues
- Regular programming on spiritual values and concerns
- Ministry and community service to shut-ins
- PSAs and community service bulletins

*Education*

- Weekly or biweekly programming led by Pastor Ruben Lewis
- Educational broadcasts in the history and practice of the Christian tradition (including live and recorded worship services)
- Weekly children's programming
- Fire safety and medical emergency information
- Calendar and regular posting of concerns/outreach/other opportunities in Greenville

*Inspiration*

- As spiritual enrichment and as an encouragement and revitalization for the people of Greenville, we plan to provide music, religious services, and other related programs.
