The arrangements made pursuant to this Agreement shall not be deemed to constitute “joint sales,” “program services,” “time brokerage,” “local marketing,” or similar arrangements, or a partnership, joint venture, or agency relationship between the parties, and this Agreement shall be construed so as to ensure that Service Provider shall not have any right to control the policies, operations, management or any other matter relating to the Station.

3. **Certain Services Not to be Shared.**

3.1 **Senior Management Personnel.** Station Licensee shall maintain for the Station sufficient personnel to comply with its obligations as a broadcast licensee under the FCC Rules. Such personnel shall (a) include not less than one full-time managerial employee and one

other full-time employee, (b) be retained solely by, and report solely to, Station Licensee, and (c) have no involvement or responsibility with respect to the business or operation of the Service Station.

5. Station Licensee Control. Notwithstanding anything to the contrary in this Agreement, and without limiting the generality of Sections 3 and 4 above, the parties hereto acknowledge and agree that during the Term, Station Licensee shall maintain ultimate control and authority over the Station, including, specifically, control and authority over the Station's operations, finances, personnel and programming. Without limiting the generality of the foregoing, nothing contained in this Agreement shall be deemed to limit the control and authority of Station Licensee with respect to the selection, development and acquisition of any and all programming to be broadcast over the Station, as well as the payment therefor, other than those payments of Service Provider associated with the Delivered Programming. To that end, Station Licensee shall (a) have exclusive authority for the negotiation, preparation, execution and implementation of any and all programming agreements for the Station, and (b) retain and hire or utilize whatever employees Station Licensee reasonably deems appropriate or necessary to fulfill those programming functions. Service Provider shall not represent, warrant or hold itself out as the licensee of the Station.

6. Shared Services. Subject to Section 5 above and subject in all respects to Station Licensee's ultimate supervision and control, Service Provider agrees to provide to Station Licensee the following services to support the business and operation of the Station; provided, that such supervision and control shall not be deemed to permit Station Licensee to expand in any material respect the obligations of Service Provider or to require Service Provider to incur any material additional obligation or liability hereunder:

6.1 Technical Services.

(a) Commencing on the Commencement Date, Service Provider shall perform monitoring and maintenance of the Station's technical equipment and facilities and, upon the request of Station Licensee, shall assist Station Licensee with the installation, repair, maintenance and replacement of the Station's equipment and facilities and otherwise assist in the

performance of Station Licensee's obligations under Section 7 hereof; provided, however, Station Licensee shall be responsible for all capital and equipment replacement expenditures.

(b) Commencing on the Commencement Date, Service Provider shall make available to Station Licensee, on an independent contractor basis, a staff engineer employed by Service Provider to assist the chief operator of the Station in fulfilling its duties as specified by the FCC Rules.

6.2 Website Services. Service Provider shall (a) maintain and operate a website associated with the Station, whether (i) the current website for the Station (and its corresponding domain name) or (ii) another website (and other domain name) that is prominently associated with the Station, or (b) combine the current Station's website(s) with a website for the Service Station and be operated as a single website for the Station and the Service Station or otherwise include in the navigation structure of each such website for the Station and the Service Station links and navigation to such other site.

6.3 Back-Office and Related Support Services. Service Provider shall provide reasonable and customary back-office support services with respect to the business of the Station, including with respect to traffic, the collection of accounts receivable in a manner consistent with Service Provider's own practices, and payroll and other similar, related services.

6.4 Delivered Programming.

(a) Commencing on the Commencement Date, Service Provider shall provide to the Station Licensee for broadcast, simulcast or rebroadcast on the Station local news and other programming as described more particularly in Schedule 6.4(a) hereof (the "Delivered Programming"), which Delivered Programming shall be less than twenty-five (25) hours per week and less than fifteen percent (15%) of the Station's broadcast hours for any week. Service Provider shall be responsible for obtaining the rights to broadcast the Delivered Programming on the Station and for paying all costs incurred in obtaining such rights. To the extent permission is required to rebroadcast any Delivered Programming under Section 325 of the Communications Act, Service Provider hereby grants Station Licensee such permission. The Delivered Programming shall be subject to Service Provider's editorial judgment and the requirements of Section 6.4(b) below, including but not limited to the right of rejection or preemption by Station Licensee. All Delivered Programming shall be in conformity in all material respects with standards established by Station Licensee and consistent with similar programming broadcast on the Service Station and shall otherwise conform to all Applicable Law, including the Communications Act, the FCC Rules and the intellectual property rights of third parties.

(b) All Delivered Programming shall comply with applicable federal, state and local regulations and policies, including commercial limits in children's programming. Station Licensee shall have the right to preempt any Delivered Programming to present program material of greater local or national importance. Station Licensee may reject any Delivered Programming if it reasonably determines that the broadcast of such material would violate Applicable Law or would otherwise be contrary to the public interest. Station Licensee shall promptly notify Service Provider of any such rejection, preemption, or rescheduling and shall cooperate with Service Provider in efforts to fulfill commitments to syndicators. Schedule 6.4(b)

sets forth Station Licensee's statement of policy (the "Policy Statement") with regard to the Delivered Programming. Service Provider shall ensure that the Delivered Programming is in compliance with the terms of this Agreement and the Policy Statement.

(c) All Delivered Programming shall be delivered to the Station in a format to be mutually agreed upon by the parties hereto, in a form ready for broadcast on the Station's existing playback equipment, and with quality suitable for broadcast. Station Licensee shall not be required to provide production services or to copy, reformat or otherwise manipulate material furnished by Service Provider other than inserting tape cartridges or similar broadcast-ready media into machinery or computers for broadcast.

6.5 Access to Office Space, Technical Facilities, and Signal; Lease Agreements.

(a) Upon the Commencement Date and during the Term, Service Provider shall make available to Station Licensee certain tangible personal property with respect to the Station, or, as applicable, other station equipment that may be located within the Market and owned by Service Provider, sufficient to ensure and enable Station Licensee to conduct broadcast operations of the Station consistent with, and pursuant to, the FCC Rules and the Communications Act.

(b) Station Licensee shall have the right, exercisable during the Term by written notice to Service Provider, to obtain access to premises and facilities of Service Provider as may be reasonably necessary to (i) establish the main studio of the Station at such locations and (ii) for the employees of Station Licensee at the Station to conduct the applicable business and operations of the Station. Upon the foregoing notice from Station Licensee, the parties shall execute and deliver a separate lease agreement in the form attached as Schedule 6.5(b) hereto (the "Office Lease").

(c) Station Licensee shall have the right, exercisable during the Term by written notice to Service Provider, to obtain access to the technical facilities and utilize the bandwidth of Service Provider as may be reasonably necessary to conduct the technical operations of the Station. Upon the foregoing notice from Station Licensee, the parties shall execute and deliver a separate lease agreement in the form attached as Schedule 6.5(c) hereto (the "Technical Lease").

(d) For a period of nine (9) months following the Closings, (i) Station Licensee shall license from Service Provider signal capacity on KRII for the broadcast of CW Plus Network programming; and (ii) Service Provider shall license from Station Licensee signal capacity on KDLH for the broadcast of CBS Network programming. On the first day after the date that is nine (9) months after the Closings, CBS Network programming shall be moved to KBJR-TV, KRII shall cease broadcasting CW Plus Network programming, and the license shall automatically terminate. The parties agree to cooperate in the broadcast on both KBJR-TV and KDLH of educational messages to the public concerning the programming changes described in this Section 6(d). The parties shall execute and deliver a separate signal license agreement in the form attached as Schedule 6.5(d) (the "Signal License" and, together with the Office Lease and the Technical Lease, the "Leases").

7. Station Licensee Responsibilities. Station Licensee, at its expense, shall be responsible for and perform the following obligations with respect to the business and operations of the Station during the Term, in accordance with and subject to the following provisions:

7.4 Operating Budget. Station Licensee shall be responsible for timely payment of all operating costs of the Station (excluding those costs to be borne by Service Provider under Section 10 below), including the cost of electricity, other utilities and rental or other payments with respect to any real property leased by Station Licensee, taxes, the Services Fee and the salaries, insurance, and other costs for all personnel employed by Station Licensee and, without limiting the foregoing, shall pay all other Station Expenses. Promptly following the Commencement Date, but in no event more than thirty (30) days thereafter, Station Licensee shall provide Service Provider a copy of the operating budget of the Station (collectively, the "Operating Budget"), which shall reflect Station Licensee's good faith budget of reasonable and customary capital and other expenses necessary to the operations of the Station and not otherwise contemplated by the Designated Expenses, as determined by Station Licensee in its sole and absolute discretion. Station Licensee shall provide updated copies of the Operating Budget each year during the Term, identifying adjustments from year to year.

7.5 Music Rights Payments. Subject to the Obligations of Service Provider, Station Licensee shall pay when due all music rights payments (including, without limitation, music performance rights, synchronization rights, and master use rights), if any, in connection with the broadcast and/or transmission of all announcements and programming on the Station, other than the Delivered Programming.

7.6 Certain Programming Costs. Station Licensee shall be solely responsible for all costs and expenditures associated with the procuring of programming to be aired on the Station, other than those associated with the Delivered Programming. Station

Licensee shall cooperate with Service Provider in filing any necessary forms or reports required to obtain co-op reimbursement or other funds to which Service Provider is entitled under this Section 7.6.

7.7 Preservation of FCC Licenses and Agreements; Other Compliance.

(a) Station Licensee shall not take any action or unreasonably omit to take any action that would be reasonably likely to result in a (i) revocation, non-renewal or material impairment of any of the FCC Licenses (as defined in the SagamoreHill Purchase Agreement), (ii) material adverse effect upon any Station's transmitters, antennae or other material assets included in the Station's transmission facilities or (iii) material breach or default under the terms of any of the agreements to which Station Licensee is a party on and as of the date hereof.

(b) Station Licensee shall ensure that such records and information required by the FCC Rules are timely placed in the public inspection files of the Station pertaining to the sale of political programming and advertisements, in accordance with the FCC Rules, and to the sale of sponsored programming addressing political issues or controversial issues of public importance, in accordance with the FCC Rules.

7.8 No Other Liabilities. 7.9 Assistance to Service Provider. During the Term, Station Licensee shall cooperate with Service Provider and, upon request by Service Provider, use commercially reasonable efforts to assist Service Provider in making and prosecuting any claims for indemnification pursuant to the SagamoreHill Purchase Agreement relating to any Station Assets (as defined in the SagamoreHill Purchase Agreement) owned, leased or held by Station Licensee which are or may be subject to claims under the SagamoreHill Purchase Agreement, and Service Provider shall reimburse Station Licensee for reasonable costs and expenses in connection with any such cooperation afforded pursuant to this Section 7.9.

7.10 Reports. During the Term, Station Licensee shall provide to Service Provider upon the written request of Service Provider (but no more often than once each fiscal month) a true and accurate listing of the outstanding equity interests of Station Licensee and the holders thereof. Station Licensee acknowledges that Service Provider may provide such information to its lenders.

14.6 Certain Matters Upon Termination.

(a) **Continuing Obligations.** No expiration or termination of this Agreement shall terminate the obligations of any party hereto to indemnify the other party for Third Party Claims under Section 15 of this Agreement, or limit or impair any party's rights to receive payments due and owing hereunder on or before the effective date of such termination.

(b) **Cooperation.** Notwithstanding anything to the contrary contained in this Agreement, if this Agreement is terminated in accordance with its terms for any reason, the parties shall cooperate with each other as may be reasonably requested to effect an allocation of the revenues and expenses for any partial calendar month resulting from such termination or to effect any working capital payment required in connection with such allocation.

15. Indemnification.

15.1 By Service Provider. Service Provider shall indemnify, defend and hold harmless Station Licensee and any employee, director, member, manager, officer, stockholder, or agent of Station Licensee, or any of its Affiliates, successors or assignees (exclusive of Service Provider and its Affiliates and agents) (each, a "Station Indemnified Party"), from and against, and reimburse and pay to such Station Indemnified Party as incurred, any loss, liability, damage or expense (including reasonable legal expenses and costs and any cost or expense arising from or incurred in connection with any action, suit, proceeding, claim or judgment) relating to any matter described in this Section 15.1 or in enforcing the indemnity provided by this Section 15

(any such amount being a “Loss”), which any such Station Indemnified Party may suffer, sustain or become subject to, in any way arising from, relating to, or as a result of:

(a) any act or omission, event or occurrence that was or shall be caused by Service Provider, its agents or Affiliates (including any predecessor in interest thereto) relating to the business of Service Provider or the Station;

(b) any omission by Service Provider or breach by Service Provider (including any predecessor in interest to Service Provider) of any of its representations, warranties, covenants or obligations hereunder or under the Leases; or

(c) any Delivered Programming, including for indecency, libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, or infringement of copyrights and proprietary rights resulting from or relating to all material included in the Delivered Programming.

The obligations of Service Provider under this Section 15.1 shall survive any termination or expiration of this Agreement. The obligations of Service Provider under this Section 15.1 shall be direct and not conditioned or conditional upon Station Licensee’s pursuit of remedies against any other party, including the Seller pursuant to the Purchase Agreements, and irrespective of Station Licensee’s rights under the SagamoreHill Purchase Agreement, Station Licensee shall have the right to elect to proceed against Service Provider in the first instance without any requirement to first proceed against the Seller or any such third party. Notwithstanding anything to the contrary contained herein, in no event shall Service Provider be liable under this Section 15.1 for punitive, treble, exemplary, consequential, special or other damages that are not actual damages in accordance with Applicable Law.

15.2 By Station Licensee. Except with respect to or to the extent of any Loss subject to indemnification pursuant to the terms and subject to the conditions of Section 15.1, Station Licensee shall indemnify, defend and hold harmless Service Provider and any employee, director, member, manager, officer, stockholder or agent of Service Provider, or any of its Affiliates, successors or assignees (each a “Service Provider Indemnified Party”) from and against, and reimburse and pay to such Service Provider Indemnified Party, as incurred, any Loss, which any such Service Provider Indemnified Party may suffer, sustain or become subject to, in any way arising from, relating to, or as a result of:

(a) any libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights resulting from or relating to all material broadcast on the Station during the Term, other than the Delivered Programming, and with respect to which Station Licensee had notice; and

(b) the actions or omissions of any Station Licensee employee or representative in performing any duty under this Agreement or in acting outside the scope of employment, which action or omission constitutes willful misconduct or gross negligence.

15.3 The indemnification obligations of Station Licensee hereunder, in the aggregate, shall in no event exceed a maximum aggregate liability equal to the aggregate amount

of the difference between (a) the total aggregate amount of the Licensee Retained Revenue Amount retained by or otherwise paid over to Station Licensee hereunder minus (b) all Services Fees paid to Service Provider hereunder.

15.4 Procedure.

(a) If any Person entitled to indemnification under this Agreement (an “Indemnified Party”) asserts a claim for indemnification for, or receives notice of the assertion or commencement of any Third Party Claim as to which such Indemnified Party intends to seek indemnification under this Agreement, such Indemnified Party shall give reasonably prompt written notice of such claim to the party from whom indemnification is to be sought (an “Indemnifying Party”), together with a statement of any available information regarding such claim. The Indemnifying Party shall have the right, upon written notice to the Indemnified Party (the “Defense Notice”) within fifteen (15) days after receipt from the Indemnified Party of notice of such claim, to conduct at its expense the defense against such Third Party Claim in its own name, or if necessary in the name of the Indemnified Party (which notice shall specify the counsel the Indemnifying Party will appoint to defend such claim (“Defense Counsel”)); provided, however, that the Indemnified Party shall have the right to approve the Defense Counsel, which approval shall not be unreasonably withheld or delayed). The parties hereto agree to cooperate fully with each other in connection with the defense, negotiation or settlement of any Third Party Claim. If the Indemnifying Party delivers a Defense Notice to the Indemnified Party, the Indemnified Party will cooperate with and make available to the Indemnifying Party such assistance and materials as may be reasonably requested by the Indemnifying Party, all at the expense of the Indemnifying Party.

(b) If the Indemnifying Party shall fail to give a Defense Notice, it shall be deemed to have elected not to conduct a defense of the subject Third Party Claim, and in such event the Indemnified Party shall have the right to conduct such defense in good faith. If the Indemnified Party defends any Third Party Claim, then the Indemnifying Party shall reimburse the Indemnified Party for the costs and expenses of defending such Third Party Claim upon submission of periodic bills. If the Indemnifying Party elects to conduct the defense of the subject Third Party Claim, the Indemnified Party may participate, at his or its own expense, in the defense of such Third Party Claim; provided, however, that such Indemnified Party shall be entitled to participate in any such defense with separate counsel at the expense of the Indemnifying Party if (i) so requested by the Indemnifying Party to participate or (ii) in the reasonable opinion of counsel to the Indemnified Party, a conflict or potential conflict exists between the Indemnified Party and the Indemnifying Party that would make such separate representation advisable; and provided, further, that the Indemnifying Party shall not be required to pay for more than one counsel for all Indemnified Parties in connection with any Third Party Claim.

(c) Regardless of which party defends a Third Party Claim, the other party shall have the right at its expense to participate in the defense of such Third Party Claim, assisted by counsel of its own choosing. The Indemnified Party shall not compromise, settle, default on, or admit liability with respect to a Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed, and, if the Indemnified Party settles, compromises, defaults on, or admits liability with respect to a

Third Party Claim except in compliance with the foregoing, the Indemnified Party will be liable for all Losses paid or incurred in connection therewith and the Indemnifying Party shall have no obligation to indemnify the Indemnified Party with respect thereto. The Indemnifying Party shall not compromise or settle a Third Party Claim without the consent of the Indemnified Party, which consent shall not be unreasonably withheld or delayed, unless such compromise or settlement includes as a term thereof an unconditional release of the Indemnified Party and such compromise or release does not impose any non-monetary obligations on the Indemnified Party other than immaterial administrative obligations (and all monetary obligations are subject to the indemnification provisions of this Agreement), in which case the consent of the Indemnified Party shall not be required.

(d) After any final decision, judgment or award shall have been rendered by a court or governmental entity of competent jurisdiction and the expiration of the time in which to appeal therefrom, or after a settlement shall have been consummated, or after the Indemnified Party and the Indemnifying Party shall have arrived at a mutually binding agreement with respect to a Third Party Claim hereunder, the Indemnified Party shall deliver to the Indemnifying Party notice of any sums due and owing by the Indemnifying Party pursuant to this Agreement with respect to such matter and the Indemnifying Party shall be required to pay all of the sums so due and owing to the Indemnified Party by wire transfer of immediately available funds within ten (10) business days after the date of such notice.

(e) It is the intent of the parties that all direct claims by an Indemnified Party against a party not arising out of Third Party Claims shall be subject to and benefit from the terms of this Section 15.4. Any claim under this Section 15.4 by an Indemnified Party for indemnification, other than indemnification against a Third Party Claim (a "Direct Claim"), will be asserted by giving the Indemnifying Party reasonably prompt written notice thereof and the Indemnifying Party will have a period of twenty (20) days within which to satisfy such Direct Claim. If the Indemnifying Party does not so respond within such 20-day period, the Indemnifying Party will be deemed to have rejected such claim, in which event the Indemnified Party will be free to pursue such remedies as may be available to the Indemnified Party under this Section 15.

(f) A failure by an Indemnified Party to give timely, complete, or accurate notice as provided in this Section 15.4 shall not affect the rights or obligations of either party hereunder, except to the extent that, as a result of such failure, any party entitled to receive such notice was deprived of its right to recover any payment under its applicable insurance coverage or was otherwise materially adversely affected or damaged as a result of such failure to give timely, complete, and accurate notice.

(g) The parties shall use their commercially reasonable efforts to collect the proceeds of any insurance that would have the effect of reducing any Losses (in which case such proceeds shall reduce such Losses). To the extent any Losses of an Indemnified Party are reduced by receipt of payment under insurance policies or from third parties not affiliated with the Indemnified Party, such payments (net of the expenses of the recovery thereof) shall be credited against such Losses and, if indemnification payments shall have been received prior to the collection of such proceeds, the Indemnified Party shall remit to the Indemnifying Party the amount of such proceeds (net of the cost of collection thereof) to the extent of indemnification

payments received in respect of such Losses. The indemnification obligations hereunder shall survive any termination of this Agreement.

15.5 Exclusivity. After the Commencement Date, except for termination pursuant to Sections 14.4(a) and 14.5(a) above, the indemnification provided by this Section 15 shall be the sole and exclusive remedy of either of Service Provider and Station Licensee against the other party hereto for any claim arising out of a breach of any representation, warranty, covenant or agreement herein or otherwise in connection with this Agreement; provided, that this Section 15.5 shall not prohibit (a) injunctive relief (including specific performance) with respect to breaches of Section 22 of this Agreement or if otherwise available under Applicable Law or (b) any other remedy available at law or in equity for any fraud committed in connection with this Agreement.

16. Force Majeure. Any delay or interruption in the broadcast operation of any Station or any other non-monetary breach of this Agreement, in whole or in part, due to acts of God, strikes, lockouts, material or labor restrictions, governmental action, riots, natural disasters or any other cause not reasonably within the control of a party shall not constitute a breach of this Agreement and no party shall be liable to any other party for any liability or obligation with respect thereto.

17. Unenforceability. If one or more provisions of this Agreement or the application thereof to any Person or circumstances, shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other Persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by Applicable Law, except that, if such invalidity or unenforceability should change the basic economic positions of the parties hereto or deprive a party of material rights under this Agreement, they shall negotiate in good faith such changes in other terms as shall be practicable in order to restore them to their prior positions. In the event that the FCC alters or modifies its rules or policies in a fashion which would raise substantial and material questions as to the validity of any provision of this Agreement, the parties shall negotiate in good faith to revise any such provision of this Agreement, as applicable, in an effort to comply with all applicable FCC Rules while attempting to preserve the intent of the parties as embodied in the provisions of this Agreement. The parties hereto agree that, upon the request of either of them, they will join in requesting the informal opinion of the staff of the FCC, to the extent necessary, with respect to the revision of any provision of this Agreement in accordance with the foregoing.

18. Notices. All notices, demands, and requests required or permitted to be given under the provisions of this Agreement shall be (a) in writing, (b) delivered personally, or sent by overnight commercial delivery service, (c) deemed to have been given on the date of personal delivery or the date set forth in the records of the delivery service and (d) addressed as set forth on Schedule 18.

19. Assignment; Benefit; Binding Effect; Use of Agents.

(a) Neither party may assign this Agreement or delegate its obligations under this Agreement without the prior written consent of the other party. Notwithstanding the foregoing or any other provision to the contrary contained herein, Service Provider may assign

its rights and obligations under this Agreement, without the consent of Station Licensee but upon written notice to Station Licensee (and Service Provider shall deliver to Station Licensee a customary assignment and assumption agreement with respect thereto), to any Affiliate of Service Provider (each a "Service Provider Assignee"); provided, however, that Service Provider, as assignor, shall guarantee, and remain responsible for, the full and complete performance of its Service Provider Assignee and any subsequent assignee of Service Provider Assignee and for all obligations and liabilities under this Agreement. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Any permitted assignee of a party hereto shall be a party to this Agreement for all purposes hereof.

(b) Notwithstanding anything to the contrary contained herein, Service Provider shall have the right to designate agents or otherwise subcontract with any third party to perform all or any portion of its obligations under the Agreement; provided, however, that Service Provider shall provide prior written notice to Station Licensee of any designation or subcontract pursuant to the foregoing and, provided further, that Station Licensee shall not be obligated to pay any amounts owing to Service Provider under this Agreement to any such third party and shall continue to pay all such amounts directly to Service Provider and, provided further, that Service Provider shall not be relieved of any of its obligations or liabilities hereunder as a result of its entering into any such arrangements with third parties.

20. Governing Law. This Agreement shall be construed and governed in accordance with the laws of Illinois without reference to the conflict of laws principles thereof that would cause the application of the laws of any jurisdiction other than the State of Illinois.

21. Specific Performance. The parties hereby agree that the services to be provided hereunder are unique and that substitutes therefor cannot be purchased or acquired in the open market. For that reason, either party would be irreparably damaged in the event of a material breach of this Agreement by the other party. Accordingly, and to the extent permitted by the Communications Act and the FCC Rules then in effect, either party may request that a decree of specific performance be issued by a court of competent jurisdiction, enjoining the other party to observe and to perform such other party's covenants, conditions, agreements and obligations hereunder, and each party hereby agrees neither to oppose nor to resist the issuance of such a decree on the grounds that there may exist an adequate remedy at law for any material breach of this Agreement.

22. Confidentiality. Each party hereto agrees that it will not at any time during the Term of or after the termination of this Agreement disclose to others or use, except as duly authorized in connection with the conduct of the business or the rendering of services hereunder or as required by law or as necessary to enforce its rights under this Agreement, any secret or confidential information of the other parties hereto. To the extent required by the Communications Act or the FCC Rules, each party shall place a copy of this Agreement in its respective station's public inspection files and, with respect to such obligation, shall consult with and agree with the other party as to any confidential or proprietary information herein that shall be redacted from any such copy.

23. Press Release. No party hereto shall publish any press release, make any other public announcement or otherwise communicate with any news media concerning this Agreement or the transactions contemplated hereby without the prior written consent of the other party hereto; provided, however, that nothing contained herein shall prevent any party from promptly making all filings with governmental authorities (in accordance with Section 22) as may, in its judgment, be required or advisable in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

24. No Partnership or Joint Venture. This Agreement is not intended to be, and shall not be construed as, an agreement to form a partnership or a joint venture between the parties. Except as specifically provided in this Agreement, or as otherwise agreed to in writing by the parties, no party shall be authorized to act as an agent of or otherwise to represent any other party hereto.

25. Further Assurances. The parties hereto shall take any actions and execute any other documents that may be reasonably necessary or desirable to the implementation and performance of this Agreement.

26. Captions. The captions used in this Agreement are for convenience of reference only, do not constitute a part of this Agreement for interpretive purposes and shall not be deemed to limit, characterize or in any way affect any provision of this Agreement. All provisions of this Agreement shall be enforced and construed as if no caption had been used in this Agreement.

27. Other Definitional Provisions. The terms "hereof," "herein" and "hereunder" and terms of similar import shall refer to this Agreement as a whole and not to any particular provision of this Agreement. Section references contained in this Agreement are references to Sections in this Agreement, unless otherwise specified. Each defined term used in this Agreement has a comparable meaning when used in its plural or singular form. Each gender-specific term used in this Agreement has a comparable meaning whether used in a masculine, feminine or gender-neutral form. Whenever the term "including" is used in this Agreement (whether or not that term is followed by the phrase "but not limited to" or "without limitation" or words of similar effect) in connection with a listing of items within a particular classification, that listing shall be interpreted as illustrative only and shall not be interpreted as a limitation on, or an exclusive listing of, the items within that classification.

28. Counterparts and Facsimile and Electronic Mail Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument. This Agreement shall be legally binding and effective upon delivery of facsimile or electronic mail signatures.

29. Entire Agreement; Amendment; Waiver. This Agreement and any attachments and Schedules hereto (which are hereby incorporated by reference and made a part hereof), the Leases, and that certain Letter Agreement, dated as of the date hereof, by and among Service Provider and Station Licensee and certain of its affiliates (the "Letter Agreement") collectively represent the entire understanding and agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements with respect to the subject matter hereof and thereof. Notwithstanding anything to the contrary contained herein or in any of

the other Transaction Documents, the parties acknowledge and agree that Service Provider may offset any amount owed by Station Licensee to Service Provider pursuant to this Agreement as a credit against any amount owed by Service Provider to Station Licensee pursuant to any other Transaction Document. No term or provision hereof may be changed, modified, amended, terminated or discharged (other than in accordance with its terms), in whole or in part, except by a writing which is dated and signed by the parties hereto. No waiver of any of the provisions or conditions of this Agreement or of any of the rights, powers or privileges of a party shall be effective or binding unless in writing and signed by the party claimed to have given or consented to such waiver.

SCHEDULE A SERVICES FEES

For each calendar month during the Term, Station Licensee shall pay, or shall cause to be paid, to Service Provider the Services Fee as defined below.

1. Services Fee. The "Services Fee" shall be paid as follow:

Year 1: \$5,000 annually, to be paid \$416.67 per month

Year 2: \$65,000 annually, to be paid \$5,416.67 per month

Year 3 and thereafter: \$125,000 annually, to be paid \$10,416.67 per month

The parties agree to review the Services Fee at least annually and together evaluate the appropriateness of the Services Fee based on Station operations and profitability; provided that no change to the Services Fee shall be made without mutual consent of each party.

2. Administration and Payment of Services Fee. No later than the fifteenth (15th) day of each calendar month during the Term, Station Licensee shall deliver to Service Provider a statement (the "Monthly Statement") setting forth the total aggregate amount of the Station Revenues for the preceding calendar month. Except as the parties may otherwise agree, the Services Fee shall be due and payable in conjunction with such Monthly Statement.

SCHEDULE 6.4(a)

SCHEDULE OF DELIVERED PROGRAMMING

Commencing on the Commencement Date, Service Provider shall be permitted to provide the Delivered Programming in accordance with the terms and subject to the conditions of this Agreement. Notwithstanding anything herein to the contrary, the obligations of Station Licensee set forth in this Schedule 6.4(a) shall be subject to Station Licensee's rights under Sections 6.4(a) and 6.4(b) of this Agreement.

At any time and from time to time following the Commencement Date, Service Provider may designate by written notice to Station Licensee the days and times during which the Delivered Programming shall be broadcast on the Station, and Station Licensee shall commence the broadcast of such Delivered Programming no later than 14 days following its receipt of such notice, so long as (i) the duration of such Delivered Programming, together with the duration of all other Delivered Programming broadcast on the Station, does not exceed 15% of the Station's weekly broadcast schedule and (ii) the broadcast of such Delivered Programming during the days and times specified by Service Provider does not conflict with the contractual obligations of Station Licensee.

At any time and from time to time following the Commencement Date, Service Provider may designate, by written notice to Station Licensee, existing programming broadcast on the Station that, effective upon receipt of such notice, shall constitute Delivered Programming for all purposes under this Agreement (such existing programming so designated by Service Provider, the "Converted Programming"). At Service Provider's election, such notice may specify changes to the days and times during which such Converted Programming shall be broadcast on the Station and Station Licensee shall broadcast such Converted Programming during the days and times specified by Service Provider no later than 14 days following its receipt of such notice, so long as (i) the duration of such Converted Programming, together with the duration of all other Delivered Programming broadcast on the Station, is less than 15% of the Station's weekly broadcast schedule and (ii) the broadcast of such Converted Programming during the days and times specified by Service Provider does not conflict with the contractual obligations of Station Licensee. Subject to receipt of any required consent, Station Licensee shall assign to Service Provider as promptly as practicable following receipt of Service Provider's written notice Station Licensee's rights and interests in the Converted Programming. Station Licensee shall use commercially reasonable efforts to obtain the consent of any third parties required in connection with any such assignment.

If the FCC changes its rules or policies in a manner that allows Service Provider to provide Delivered Programming that exceeds 15% of the Station's broadcast hours for any week, at the request of Service Provider, Station Licensee shall cooperate in good faith with Service Provider to agree upon one or more additional time periods during which Service Provider shall be permitted to provide additional Delivered Programming for broadcast on the Station, but in no event shall the aggregate duration of all Delivered Programming, including such additional time periods, exceed the total amount of Delivered Programming as may be permitted by the FCC after giving effect to such change in the FCC Rules.

Upon no less than 14 days prior written notice from Service Provider to Station Licensee, Service Provider may change the date and times that the Delivered Programming shall be broadcast on any Station and Station Licensee agrees to broadcast the Delivered Programming in accordance with such revised schedule, so long as (i) the duration of such Delivered Programming, together with the duration of all other Delivered Programming broadcast on the Station, does not exceed 15% of the Station's weekly broadcast schedule and (ii) the broadcast of such Delivered Programming during the days and times specified by Service Provider does not conflict with the contractual obligations of Station Licensee.

SCHEDULE 6.4(b)

POLICY STATEMENT FOR DELIVERED PROGRAMMING

Service Provider agrees to cooperate with Station Licensee in the broadcasting of programs of high quality and, for this purpose, to observe the following policies in the preparation, writing, production and delivery of Delivered Programming.

CONTROVERSIAL ISSUE. Any discussion of controversial issues of public importance shall be reasonably balanced with the presentation of contrasting viewpoints in the course of overall programming; no attacks on the honesty, integrity, or like personal qualities of any person or group of persons shall be made; and Station programs (other than public forum or talk features) are not to be used as a forum for editorializing about individual candidates. If such events occur, Station Licensee may require that responsive programming be aired.

NO PLUGOLA OR PAYOLA. The mention of any business activity or "plug" for any commercial, professional, or other related endeavor, except where contained in an actual commercial message of a sponsor, is prohibited.

PROGRAMMING PROHIBITIONS. Service Provider's Delivered Programming shall not knowingly contain any of the following:

- (a) False Claims. False or unwarranted claims for any product or service.
- (b) Unfair Imitation. Infringements of another advertiser's rights through plagiarism or unfair imitation of either program idea or copy or any other unfair competition.
- (c) Commercial Disparagement. Any unlawful disparagement of competitors' or competitive goods.
- (d) Obscenity/Indecency/Profanity. Any programs or announcements that are obscene or indecent, as those terms are interpreted and applied by the FCC or any programs or announcements that are slanderous, obscene, profane, vulgar, repulsive or offensive, either in theme or treatment.
- (e) Price Disclosure. Any price mentions except as permitted by Station Licensee's policies current at the time.
- (f) Unauthorized Testimonials. Any testimonials which cannot be authenticated.
- (g) Descriptions of Bodily Functions. Any continuity which describes in a repellent manner internal bodily functions or symptomatic results or internal disturbances, and no reference to matters which are not considered acceptable topics in social groups.
- (h) Conflict Advertising. Any advertising matter or announcement which may, in the reasonable opinion of Station Licensee, be injurious or prejudicial to the interest of the public, the Station, or honest advertising and reputable business in general.

(i) **Fraudulent or Misleading Advertisement.** Any advertisement matter, announcement, or claim which Service Provider knows to be fraudulent, misleading, or untrue.

LOTTERIES. Announcements giving any information about lotteries or games prohibited by Applicable Law are prohibited.

RELIGIOUS PROGRAMMING RESTRICTIONS. The subject of religion and references to particular faiths, tenants, and customs shall be treated with respect at all times. Delivered Programming shall not be used as medium for attack on any faith, denomination, or sect or upon any individual or organization.

CREDIT TERMS ADVERTISING. Any advertising of credit terms shall be made over the Station in accordance with Applicable Law.

NO ILLEGAL ANNOUNCEMENTS. No announcements or promotion prohibited by Applicable Law shall be made over the Station. At Station Licensee's request, any game, contest, or promotion relating to or to be presented over any Station must be fully stated and explained in advance to Station Licensee, which reserves the right in its sole discretion to reject any game, contest, or promotion.

LICENSEE DISCRETION PARAMOUNT. In accordance with the responsibilities of Station Licensee under the Communications Act and the FCC Rules, Station Licensee reserves the right to reject or terminate any Delivered Programming proposed to be presented or being presented over the Station which is in conflict with the policy of Station Licensee or which, in the reasonable judgment of Station Licensee, would not serve the public interest.

PROGRAMMING IN WHICH SERVICE PROVIDER HAS A FINANCIAL INTEREST. Service Provider shall advise Station Licensee with respect to any Delivered Programming concerning goods or services in which Service Provider has a material financial interest. Any announcements for such goods and services for which Service Provider charges less than its regular rate shall clearly identify Service Provider's financial interest.

MISCELLANEOUS.

(a) **Waiver.** To the extent legally permissible, the parties may jointly waive any of the foregoing policies in specific instances if, in their opinion, good broadcasting in the public interest is served.

(b) **Prior Consent.** In any case where questions of policy or interpretation arise, Service Provider will attempt in good faith to submit the same to Station Licensee for decision before making any commitments in connection therewith.

SCHEDULE 6.5(b)
OFFICE LEASE AGREEMENT

THIS OFFICE LEASE AGREEMENT (this "Agreement") is entered into as of _____, 20__ (the "Effective Date") by and between Quincy Newspapers, Inc., an Illinois corporation ("Service Provider"), and SagamoreHill of Duluth, LLC and SagamoreHill of Duluth Licenses, LLC, each a Delaware limited liability company (collectively, "Station Licensee").

WHEREAS, the parties hereto are parties to that certain Shared Services Agreement dated as of _____, 2015 (the "SSA"), in connection with the television broadcast station KDLH, Duluth, MN (Facility ID 4691) (the "Station"), for which Station Licensee is the owner, operator and holder of the FCC licenses therefor; and

WHEREAS, pursuant to the SSA, Station Licensee has elected to cause the parties hereto to enter into this Agreement with respect to the provision by Service Provider of certain premises and facilities;

NOW THEREFORE, in consideration of the above recitals and of the mutual agreements and covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the SSA.

2. Pursuant to the terms and subject to the conditions of this Agreement, Service Provider shall provide Station Licensee with office space, equipment, and furnishings in the studio and business facilities of the Service Station (the "Service Provider Premises") as follows:

- (a) During the Term, Service Provider shall provide to Station Licensee's employees and agents the non-exclusive right, in common with Service Provider, to access and use of space and facilities in the applicable Service Provider Premises, including (a) accommodation of Station Licensee's studio transmitter links from time to time and (b) with respect to any Station for which the FCC has not granted Station Licensee a waiver of 47 C.F.R. § 73.1125 (i) furnishings and office equipment for a main studio for the Station and (ii) sufficient space to permit Station Licensee to maintain and make available to the public the public inspection file for the Station and otherwise satisfy the applicable "main studio" requirements under the FCC Rules at such locations in or near the Service Provider Premises, the grant of such rights as may be mutually acceptable to Service Provider and Station Licensee and in accordance with the FCC Rules, so long as the provision of such space and the use of such equipment do not unreasonably interfere with the conduct of Service Provider's business or operations. Station Licensee acknowledges and agrees that (y) it accepts the Service Provider Premises in their "as is" condition, without any representations or warranties by Service Provider, or anyone acting or purporting to act on behalf of Service Provider, as to the present or future condition of such Service Provider Premises, except as specifically set forth in this Agreement or the SSA; and (z) Service Provider

shall have no obligation to perform any work therein, except as specifically set forth in this Agreement or the SSA.

- (b) During the Term, Service Provider shall give Station Licensee and its agents a nonexclusive and unrestricted right of access, in common with Service Provider, to the space provided for Station Licensee at the Service Provider Premises under Section 1 of this Agreement at all times, subject only to Service Provider's reasonable security procedures and rules applicable to its own employees, as the Station Licensee reasonably requires for the conduct of the business of the Station and to fulfill its obligations as an FCC licensee. Station Licensee shall not use the Service Provider Premises for any other purposes without the prior written consent of Service Provider. Station Licensee shall use and occupy the Service Provider Premises in compliance in all material respects with all Applicable Laws, ordinances, requirements and regulations of any applicable governmental authority and in accordance with all superior leases, mortgages, deeds of trust and encumbrances of record (so long as Service Provider has delivered true and complete copies of such lease and other agreements to Station Licensee). The rights granted under this section shall include the incidental benefit and reasonable right of use of utilities (heat, water, electricity) provided for purposes of Service Provider's own operations. In addition, Service Provider shall provide separate and, to the extent reasonably practicable, lockable office facilities for use by Station Employees and, subject to Service Provider's reasonable prior approval, shall permit Station Licensee to install appropriate signs on the inside and outside of the Service Provider Premises (consistent with applicable local requirements governing such signage, if any, and the overall appearance of the Service Provider Premises) identifying Station Licensee as the licensee of the Station. No alterations or additions may be made to the Service Provider Premises without the prior written consent of Service Provider, in its sole and absolute discretion, except as otherwise permitted under the Agreement.
- (c) Station Licensee shall be given a transition period ("Transition-Tail Period") of one hundred eighty (180) days following the expiration or termination of this Agreement in which to relocate the operations of the main studio(s) of the Station and shall surrender the Service Provider Premises at such time in substantially the same condition as Station Licensee received such Service Provider Premises upon commencement of the Initial Term (including removing all signage installed by Station Licensee), subject only to reasonable wear and tear. Station Licensee shall continue to pay to Service Provider the Lease Fee (as defined below) for each month (or partial month) of the Transition-Tail Period. All costs incurred by Station Licensee with respect to relocating the operations of the main studio(s) of the Station following such termination shall be paid by Station Licensee. During such Transition-Tail Period, Station Licensee shall have access to the Service Provider Premises in the same manner as during the Term. Such Transition-Tail Period may be lengthened upon such terms and conditions as may be mutually agreeable to the parties in writing. If Station Licensee holds over beyond the expiration of the Transition-Tail Period without the prior written consent of Service Provider, then, in addition to all other rights and remedies of Service Provider provided by Applicable Law or by the terms of this Agreement, Station Licensee shall pay to Service Provider an amount

equal to the Services Fee last payable by Station Licensee under the SSA prior to termination of this Agreement, pro-rated as a monthly amount, for each month or partial month of such holdover; provided, that, in such event, at any time Service Provider, without waiving any other remedy that it may have, may use legal process to enter upon, take possession of the Service Provider Premises and expel or remove Station Licensee and any other person in occupancy thereof from the Service Provider Premises. Nothing contained in this Agreement shall be deemed a consent by Service Provider to the holding over by Station Licensee, nor a waiver of any other remedy which may be available to Service Provider. The obligations of Station Licensee and Service Provider under this Section 3 shall survive the termination of this Agreement.

- (d) Station Licensee shall not assign its rights under this Agreement or sublet or permit the occupancy or use of the Service Provider Premises by any Person or entity other than Station Licensee, except to a permitted assignee under the SSA.
- (e) Without the necessity of any additional document being executed by Station Licensee for the purpose of effecting a subordination, this Agreement shall be subject and subordinate at all times to ground or underlying leases and to the lien of any mortgages or deeds of trust now or hereafter placed on, against or affecting the Service Provider Premises, Station Licensee's interest or estate in the Service Provider Premises, or any ground or underlying lease; provided, that if the lessor, mortgagee, trustee, or holder of any such mortgage or deed of trust elects to have Station Licensee's interest in this Agreement be superior to any such instrument, then, by notice to Station Licensee, this Agreement shall be deemed superior, whether this Agreement was executed before or after said instrument. Notwithstanding the foregoing, Station Licensee covenants and agrees to execute and deliver within ten (10) business days of delivery of Service Provider's request such reasonable and customary further instruments evidencing such subordination or superiority of this Agreement or a reasonable and customary estoppel certificate, all as may be reasonably requested by Service Provider.
- (f) With respect to any Service Provider Premises that are subject to a lease agreement with a third party, Station Licensee's rights under this Agreement shall automatically terminate upon the termination for any reason (including by reason of casualty or condemnation) of any superior lease for the Service Provider Premises. Station Licensee shall occupy the Service Provider Premises in compliance with any superior lease. Station Licensee shall have no rights under the superior lease for the Service Provider Premises, including any assignment or subletting, extension, renewal, first offer or purchase rights. Service Provider shall not be responsible for the failure of lessor or other counterparty to the superior lease for the Service Provider Premises to provide any services or utilities or access to the Service Provider Premises; provided, that to the extent of any failure of services, utilities or access, Service Provider shall use commercially reasonable efforts to obtain such services, utilities or access from its landlord. Service Provider has delivered to Station Licensee a true and complete copy of any such lease.

3. In consideration for the access set forth in Section 2 above, for each calendar month during the Term, Station Licensee shall pay or shall cause to be paid to Service Provider a fee (the "Lease Fee") each month during the Term. The Lease Fee is included within the monthly Service Fee described in the SSA and shall be due and payable with the Service Fee.

4. Subject to the Transition Tail-Period, this Agreement shall automatically terminate without the requirement of further action by the parties upon the termination or expiration of the SSA in accordance with its terms.

5. This Agreement shall be assigned to the same assignee as the SSA in connection with any assignment of the SSA.

6. Miscellaneous Matters.

(a) All notices, demands, and requests required or permitted to be given under the provisions of this Agreement shall be (a) in writing, (b) delivered personally, or sent by overnight commercial delivery service, (c) deemed to have been given on the date of personal delivery or the date set forth in the records of the delivery service and (d) addressed as set forth on Schedule 18 of the SSA.

(b) This Agreement shall be construed and governed in accordance with the laws of Minnesota without reference to the conflict of laws principles thereof that would cause the application of the laws of any jurisdiction other than the State of Minnesota.

(c) The terms "hereof," "herein" and "hereunder" and terms of similar import shall refer to this Agreement as a whole and not to any particular provision of this Agreement. Section references contained in this Agreement are references to Sections in this Agreement, unless otherwise specified. Each defined term used in this Agreement has a comparable meaning when used in its plural or singular form. Each gender-specific term used in this Agreement has a comparable meaning whether used in a masculine, feminine or gender-neutral form. Whenever the term "including" is used in this Agreement (whether or not that term is followed by the phrase "but not limited to" or "without limitation" or words of similar effect) in connection with a listing of items within a particular classification, that listing shall be interpreted as illustrative only and shall not be interpreted as a limitation on, or an exclusive listing of, the items within that classification.

(d) The parties hereto shall take any actions and execute any other documents that may be reasonably necessary or desirable to the implementation and performance of this Agreement.

(e) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument. This Agreement shall be legally binding and effective upon delivery of facsimile or electronic mail signatures.

(f) This Agreement and the other Transaction Documents, when executed and delivered by the parties thereto, collectively represent the entire understanding and agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements with respect to the subject matter hereof and thereof. Notwithstanding anything to the contrary contained herein or in any of the other Transaction Documents, and without limiting any of the other rights or remedies of the parties hereunder or under any of the Transaction Documents, the parties acknowledge and agree that Service Provider may offset any amount owed by Station Licensee to Service Provider pursuant to any of the Transaction Documents as a credit against any amount owed by Service Provider to Station Licensee pursuant to any other Transaction Document. No term or provision hereof may be changed, modified, amended, terminated or discharged (other than in accordance with its terms), in whole or in part, except by a writing which is dated and signed by the parties hereto. WHEREAS, pursuant to the SSA, Station Licensee has elected to cause the parties hereto to enter into this Agreement with respect to the provision by Service Provider of certain premises and facilities; and

WHEREAS, Service Provider is the owner of that certain communications tower located at 4th Ave West & 10th St., Duluth, MN 55806, FCC Antenna Structure Registration Number 1024268 (the "Tower") and a co-located building (the "Building");

WHEREAS, Service Provider is the FCC licensee of satellite television station KRIL, Chisholm, MN (Facility ID No. 82698); and

NOW THEREFORE, in consideration of the above recitals and of the mutual agreements and covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

WITNESSETH:

1. **PREMISES** - The Service Provider does hereby lease to the Station Licensee a shared antenna at the 784 foot level of the Tower and space in the Building for the Station Licensee's broadcast equipment used for the Station (the "Premises"). Additionally as part of this Agreement Service Provider will provide Station Licensee electrical power reasonably necessary to power Station Licensee's transmitter and ancillary equipment installed at the Premises. Station Licensee acknowledges nonexclusive use of the Premises and that others also use the Premises.
2. **TERM** - This Agreement shall be deemed effective as of the Effective Date and shall expire on the earlier of (a) the expiration or earlier termination of the SSA, (b) pursuant to Section 4 below, or (c) pursuant to Section 6 below (the "Term").
3. **RENT** - In consideration for the use of the Premises as set forth herein, for each calendar month during the Term, Station Licensee shall pay or shall cause to be paid to Service Provider a fee (the "Lease Fee"). The Lease Fee is included within the monthly Service Fee described in the SSA and shall be due and payable with the Service Fee.

4. **DESTRUCTION** - In the event of partial or total destruction of the Tower by wind or other casualty, the Tower shall be repaired as expediently as possible at the expense of the Service Provider; provided that if the Tower cannot be economically repaired or reconstructed the Service Provider may elect not to rebuild or repair and may terminate this Agreement by giving prompt written notice to the Station Licensee of such election.
5. **INSURANCE** - The Station Licensee will carry liability insurance covering the loss or damage to property of injury to or death to persons occurring on the demised premises or of any matter growing out of the joint use and occupancy of said premises in a company or companies agreeable to and approved by the Service Provider and such policy or policies, at the expense of the Station Licensee, will be so endorsed as to protect the Service Provider as well as the Station Licensee and shall waive any right of subrogation against Service Provider. The Station Licensee shall also provide that such policy or policies shall not be cancelled or terminated or allowed to lapse without such company or companies giving the Service Provider notice in writing at least ten (10) days prior thereto.
6. **OPERATIONS** - It is understood that the operations of Station Licensee's equipment at the Premises is not to materially adversely interfere with the transmission or reception of AM, FM or television waves or signals, or microwave signals, by Service Provider or any third parties using the Tower and Building whose use of the Tower and Building predates that of the Station. In the event that Station Licensee's operation at the Premises does result in such materially adverse interference which the parties using good faith commercially reasonable efforts cannot resolve or remedy, the Service Provider, at its option, may terminate this Agreement by prompt written notice to Station Licensee, in which event Station Licensee shall have no further obligation to pay rent hereunder.
7. **ACCESS** - The use of the Premises during the Term shall be limited to normal service of said equipment as reasonably needed by the Station Licensee. The Station Licensee or its agents may have free access to said premises at all reasonable times and under reasonable restriction for the purpose of operation, inspection, maintenance, removal, repair and replacement of Station Licensee's equipment.
8. **IDENTIFICATION** - The Station Licensee will attach, in plain view, identification labels to Station Licensee's equipment and all radio frequencies used in Station Licensee's operation.
9. **MAINTENANCE** - Station Licensee covenants that the maintenance of Station Licensee's equipment will not unreasonably interfere with or impair the Service Provider's right or the rights of other parties leasing any portion of the Tower or Building from Service Provider to maintain and operate Service Provider's or such parties' equipment at the Tower or Building.
10. **FCC COMPLIANCE** - Station Licensee and Service Provider agree to comply with Federal Communications Commission regulations, and, where applicable, requirements of other federal, state or local authorities with competent jurisdiction, governing human exposure to radio frequency radiation. All access to the Tower will be coordinated with the Service Provider and with other lessees or licensees of the Tower to ensure that compliance with such radio frequency radiation exposure regulation is attained.

11. **TRANSITION-TAIL PERIOD** – In the case of an expiration of this Agreement pursuant to Section 2(a) above, Station Licensee shall be given a transition period (“Transition-Tail Period”) of one hundred eighty (180) days following the expiration or termination of this Agreement in which to relocate the technical operations of the Station and shall surrender the Premises at such time in substantially the same condition as Station Licensee received such Premises upon the Effective Date, subject only to reasonable wear and tear. Station Licensee shall continue to pay to Service Provider the Lease Fee for each month (or partial month) of the Transition-Tail Period. All costs incurred by Station Licensee with respect to relocating the technical operations of the Station following such termination shall be paid by Station Licensee. During such Transition-Tail Period, Station Licensee shall have access to the Premises in the same manner as during the Term. Such Transition-Tail Period may be lengthened upon such terms and conditions as may be mutually agreeable to the parties in writing. If Station Licensee holds over beyond the expiration of the Transition-Tail Period without the prior written consent of Service Provider, then, in addition to all other rights and remedies of Service Provider provided by Applicable Law (as defined in the SSA) or by the terms of this Agreement, Station Licensee shall pay to Service Provider an amount equal to the Services Fee last payable by Station Licensee under the SSA prior to termination of this Agreement, pro- rated as a monthly amount, for each month or partial month of such holdover; provided, that, in such event, at any time Service Provider, without waiving any other remedy that it may have, may use legal process to enter upon, take possession of the Premises and expel or remove Station Licensee and any other person in occupancy thereof from the Premises. Nothing contained in this Agreement shall be deemed a consent by Service Provider to the holding over by Station Licensee, nor a waiver of any other remedy which may be available to Service Provider. The obligations of Station Licensee and Service Provider under this Section 11 shall survive the termination of this Agreement.

12. **INDEMNIFICATION** –

(a) Station Licensee agrees to indemnify, defend and hold Service Provider harmless from and against any and all injury, loss, damage or liability (or any claims in respect of the foregoing), costs or expenses (including reasonable attorneys' fees and court costs but excluding real property or personal property taxes) arising directly from the installation, use, maintenance, repair or removal of the Station Licensee's equipment at the Premises or Station Licensee's breach of any provision of this Agreement, except to the extent attributable to the intentional act or omission of Service Provider, its employees, agents or independent contractors.

(b) Service Provider agrees to indemnify, defend and hold Station Licensee harmless from and against any and all injury, loss, damage or liability (or any claims in respect of the foregoing), costs or expenses (including reasonable attorneys' fees and court costs but excluding real property or personal property taxes) arising directly from the Service Provider's breach of any provision of this Agreement, except to the extent attributable to the negligent or intentional act or omission of Station Licensee, its employees, agents or independent contractors.

(c) Notwithstanding anything to the contrary in this Agreement, Station Licensee and Service Provider each waive any claims that each may have against the other with respect to consequential, incidental or special damages.

13. **BINDING EFFECT** - This lease shall extend to the successors and assigns of the parties hereto and be binding on the same.

14. **ASSIGNMENT** - This Agreement shall be assigned to the same assignee as the SSA in connection with any assignment of the SSA.

15. **MISCELLANEOUS MATTERS**
