Re: Interference Waiver for LPTV station K17EQ, channel 17

Dear Mr. Black:

Your request for an interference waiver for your LPTV operation in West Monroe, LA, from Saga Communications and WXVT-TV, Greenville, MS, is granted based on the facts used for the attached favorable study conducted for you by the Consulting Engineering firm of duTreil, Lundin & Rackley and dated August 29, 2000.

This grant of waiver will remain in force unless pertinent facts of your operation change.

Best wishes,

Director of Engineering
