

**Radio License Holding III, LLC,
a subsidiary of Citadel Broadcasting**

12/30/2009

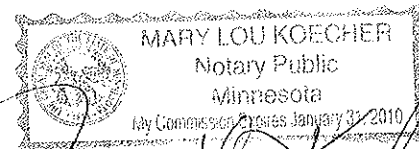

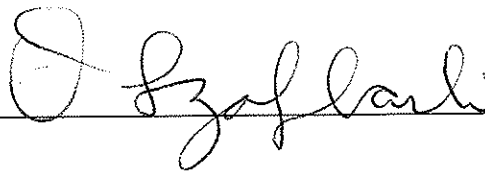

Regarding; WGVZ, Facility ID 61541

Permit File Number- BXPB-20090302AEF

I have observed the re-alignment and final placement of the WGVZ antenna and do certify that the Shively antenna model **6810-2R-SS-DA**, was installed pursuant to the manufacturer's instructions with an azimuth of 10 degrees true north.

I am a full time engineer with Citadel Broadcasting and have 20 years of experience in broadcast engineering.
