Dear Licensee:

This refers to your attorney's letter dated April 24, 2015 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that on March 28, 2015 due to problems with its transmitter, WGCB-TV began operating at reduced power. You state that reduced power operations will continue to be necessary while the applicant is trying to install the necessary parts and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until November 12, 2015 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is stylized with a large, looping "K" and a long, sweeping underline.
