

CBS Radio East Inc., licensee of full-power WVEE-FM 103.3, Atlanta, GA, has examined the application of WPCG-LP107.9 which requests a waiver of 47 CFR 73.807 to permit short-spacing to second-adjacent full-power station WVEE-FM. CBS Radio East, Inc. agrees to accept any interference caused by WPCG-LP's as a result of its proposed proposed move to 103.7 and respectfully requests the FCC processing staff grant the application of WPCG-LP.

Sincerely,

Robert LaFore  
Market Chief Engineer  
CBS Radio Atlanta
