Re: Letter of No Objection

Dear Mr. Parkin:

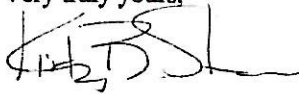

Last year, Maryland Public Broadcasting Commission ("MPBC"), the licensee of WGPT(TV), Oakland, MD, filed an application for a minor modification of its DTV construction permit (FCC File No. BMPEDT-20080620ANK) (the "MPBC Application"). We understand that the MPBC Application is mutually exclusive with the application for a minor modification filed by PBC Broadcasting of Youngstown License, LLC ("PBC Youngstown") associated with WYTV-DT, Youngstown, OH (FCC File No. BPCDT-20080620ALJ) (the "PBC Youngstown Application").

Based on our review of the PBC Youngstown Application, MPBC hereby accepts any interference to the facilities proposed by the MPBC Application from the facilities proposed by the PBC Youngstown Application, and is hereby providing its unconditional approval to a grant by the FCC of the PBC Youngstown Application. By countersigning below, PBC Youngstown hereby accepts any interference to the facilities proposed by the PBC Youngstown Application from the facilities proposed by the MPBC Application, and is hereby providing its unconditional approval to a grant by the FCC of the MPBC Application.

Each of MPBC and PBC Youngstown consent to the filing of this letter at the FCC as amendments to their respective pending applications.

Please indicate your approval with the above by countersigning this letter in the space provided below, and return a copy to me.

Very truly yours,

Kirby Storms
Director of Engineering
Maryland Public Television

ACCEPTED AND AGREED

Todd Parkin
