

## **Request for Special Temporary Authority**

The Scranton Times, L.P. ("Licensee"), the licensee of FM translator station W241AZ, 96.1 MHz, Dunmore, Pennsylvania (FIN 145790) and AM station WEJL(AM), 630 kHz, Scranton, PA (FIN 66363), hereby requests that the Commission grant special temporary authority for W241AZ to rebroadcast WEJL(AM), consistent with footnote 19 of the Commission's Notice of Proposed Rule Making in *In re Amendment of Service and Eligibility Rules for FM Broadcast Translator Stations*, MB Docket No. 07-172, RM-11338, FCC 07-144, released August 15, 2007 ("STA").

The grant of the instant STA request will serve the public interest by permitting the Licensee to provide fill-in service within the WEJL(AM) service area. The use of W241AZ to rebroadcast WEJL(AM) will permit the Licensee to provide improved service within the coverage area for WEJL(AM). In accordance with the amended rules proposed in the above-referenced rule making docket, attached is a contour study showing that the 60 dBu contour of W241AZ is well within the 2 mV/m groundwave contour of WEJL(AM) as well as within the 25 mile radius around the WEJL(AM) transmitter site.
