Petitions to the Federal Communications Commission

A PETITION DIRECTED TO THE FEDERAL COMMUNICATIONS COMMISSION

Ferndale has suffered long-term consequences from high powered radio interference with daily interruptive disturbances. The FCC operating license for radio station KRPI, 1550 kHz AM, is due for renewal by February 2006. We the undersigned voice our complaint against the high powered, 50,000 watt, radio interference for those living in and around Ferndale.

A PETITION DIRECTED TO THE FEDERAL COMMUNICATIONS COMMISSION

Ferndale has suffered long-term consequences from high powered radio interference with daily interruptive disturbances. The FCC operating license for radio station KRPI, 1550 kHz AM, is due for renewal by February 2006. We the undersigned voice our complaint against the high powered, 50,000 watt, radio interference for those living in and around Ferndale.

A PETITION DIRECTED TO THE FEDERAL COMMUNICATIONS COMMISSION

Ferndale has suffered long-term consequences from high powered radio interference with daily interruptive disturbances. The FCC operating license for radio station KRPI, 1550 kHz AM, is due for renewal by February 2006. We the undersigned voice our complaint against the high powered, 50,000 watt, radio interference for those living in and around Ferndale.

A PETITION DIRECTED TO THE FEDERAL COMMUNICATIONS COMMISSION

Ferndale has suffered long-term consequences from high powered radio interference with daily interruptive disturbances. The FCC operating license for radio station KRPI, 1550 kHz AM, is due for renewal by February 2006. We the undersigned voice our complaint against the high powered, 50,000 watt, radio interference for those living in and around Ferndale.
