

**DECLARATION OF MIGUEL R. HUIZZI**

I am the president and a director 4ABN, applicant for a new low power FM station at Houston, Texas.

4ABN was formed on May 25, 2011, and has maintained its headquarters at 9303 Hammerly Boulevard, Unit 506, Houston, Texas 77080, continuously since that time.

At all times during the two-year period prior of the filing of our application, all of the members of the board of directors have resided within 10 miles of the antenna site for the proposed station.

The foregoing is true to the best of personal knowledge and belief, and is given under the penalty of perjury.
