Re: DW MDF-LP, Key West, Florida
File No. BTCTTL-20110912ABM
Facility ID No. 130544

Dear Station:

By letter dated October 24, 2011, the staff cancelled the license for station WMDF-LP, Key West, Florida and deleted the call sign because Commission records indicated that the station had been silent for more than 12 consecutive months. Three Grand TV, LLC filed a timely petition for reconsideration, supported by the declaration of an engineer who was hired to restore the station to the air, stating that the station resumed operation on September 28, 2011. Three Grand further explains that it filed a license to cover the construction of its digital facility on September 28, 2011 but neglected to submit the filing fee with the application, which resulted in its dismissal. Three Grand has since paid the fee and its license application is now pending.

In view of the foregoing, the petition for reconsideration filed by Praise 95, Inc. IS HEREBY GRANTED and the license for station W39BP and the above-referenced application for transfer of control ARE REINSTATED.

Sincerely,

Hossein Hashemzadeh
Deputy Chief, Video Division
