Attention: Mr. Chris L. Connely

Subject: FM Antenna for KDKL Certification DMA #15-087

Mr. Connely,

I, Dale G. Mell, Licensed Land Surveyor by the State of California hereby state that on September 17, 2015 a survey was made under my direction for the removal and reinstallation (at 7ft 2in above its original mounting height) of the directional FM antenna to a corrected height of 85ft 4in for KDKL, on San Benito Mountain, Coalinga, California. I found that the antenna had been installed in accordance with the proof of performance dated November 14, 2000 from Electronics Research, Inc. and orientated at a true azimuth of 180°.

Sincerely,

Dale G. Mell, P.L.S.  
DGM/dc
