

TECHNICAL STATEMENT RADIO MULTIPLE OWNERSHIP ANALYSIS

This statement and the attached figures were prepared on behalf of Clear Channel Broadcasting Licenses, Inc. ("CCBL"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CCBL proposes to change the community of license of KRVK(FM) from Midwest, WY to Bar Nunn, WY. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales.¹

Studied and Associated Arbitron Metro² Information

KWYY	26300	FM	Casper	Natrona	WY	Casper, WY	Casper, WY

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro Markets, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.³

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of KRVK(FM) as proposed, or which is located in the same Arbitron Metro⁴ as KRVK(FM). The proposed community of license of KRVK(FM), Bar Nunn, is located in Natrona County, WY, which, like the current community of license, is geographically within the Casper, WY Arbitron Metro. Contour overlap of the station to be modified occurs with commonly-owned stations whose communities of license are also located in the Casper, WY Arbitron Metro.

Arbitron Market Study

KRVK(FM), as a Midwest station, is geographically located in the Casper, WY Arbitron Metro. KRVK(FM) is seeking a construction permit to relocate to a community that is also geographically within the Casper, WY Arbitron Metro. As a Midwest station, KRVK(FM) has been reported by BIA as

¹ None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

² Arbitron data presented herein is obtained from BIA's "Media Access Pro."

³ See 47 C.F.R. § 73.3555(a).

⁴ A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

being "Home" solely to the Casper, WY Arbitron Metro. It is anticipated that KRVK(FM) will continue to be reported by BIA as being "Home" to the Casper, WY Arbitron Metro as a Bar Nunn station. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

Interim Contour-Overlap Analysis

Because the principal community of the station to be modified, and the communities of all commonly-owned or attributable stations with overlapping principal contours with the station to be modified, are located in an Arbitron Metro, an interim contour-overlap analysis is not required.

Conclusions

In the Arbitron Radio Market studied herein, there are at least 15 radio stations, including the subject commonly-owned 2-AM / 4-FM stations, which are home to the Casper, WY Metro. Since KRVK(FM) was already listed by BIA as "Home" to the Casper, WY Arbitron Metro, this proposed modification does

⁵ Source: BIA.

⁶ Status: "a" -- the station is reported by BIA as "Home" to this Arbitron Metro; "g" -- the station's community of license is located within the geographic boundaries of this Arbitron Metro; "b" -- the station is both listed by BIA as "Home" to this Arbitron Metro, and its community of license is located in this Arbitron Metro.

not affect the existing number of commonly-owned stations in the subject Arbitron Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.
