

Surveyor's Certification

To Whom it May Concern:

Re: Permit File # BMPED-20070718AEP

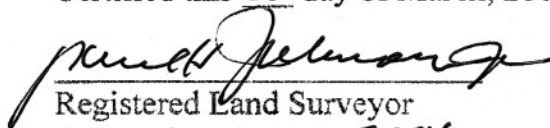

Permittee Name: Spanish Cultural Education, Inc.

A survey of the tower site for WTMQ, Lumpkin, Georgia, located at Public Service Towers, Inc. on HWY 27, 1 MI NE, in the town of Sanford, Georgia has been completed. The purpose of this survey was to verify that the directional antenna was oriented at the azimuth.

This letter certifies that the antenna is oriented at the azimuth, which is

3° ± 2°

Certified this 25th day of March, 2008.
