Caron Broadcasting, Inc.  
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed June 13, 2006, on behalf of Caron Broadcasting, Inc. (CBI). CBI requests extension of the special temporary authority (STA) granted March 16, 2006, for operation of Station WLQV with parameters at variance and/or reduced power while maintaining monitor points within authorized limits.<sup>1</sup> In support of the request, CBI states that additional time is required to complete repairs and prepare an application for direct measurement of power.

Our review indicates that Application BZ-20070103AFZ was granted on June 19, 2007; thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
