In evaluating the proposed conversion to digital for W44CK, FID 129422, it was found that channel 44 would cause unacceptable interference to WIPR-DT, BMPEDT20080619AEX, FID 53859 channel 40. After thorough searching, channel 4(S) was found to cause no lethal levels of interference to other stations. Thus, Three Angels Broadcasting Network respectfully requests that the Commission look favorably on this application.
