

### **Agreements for Sale of Stations**

The parties to the instant application have entered into an agreement for purchase and sale assets for the sale of FM broadcast stations KFRR, Woodlake, California, KJFX, Fresno, California and KTSX, San Joaquin, California, a copy of which is submitted herewith. Also submitted is the local marketing agreement between the parties. The various schedules and exhibits to the Purchase Agreement have been omitted because (i) they are not of decisional significance to the Commission and (ii) the publication of confidential and sensitive information contained in the omitted documents could competitively injure the parties. It is the intention of the licensee to place a complete copy of this application, including the agreements which are a part of this application, in the public inspection file(s) of the station(s) promptly after the application is filed with the Commission.
